NOW, THEREFORE, BE IT DETERMINED, APPROVED AND RESOLVED by the members of the Agency as follows:

Section 1. With respect to the Agency's evaluation criteria for Manufacturing/Warehousing/Distribution Projects the Agency makes the following determinations:

- (b) The Company proposes a capital investment in the land, buildings, machinery and equipment and capital improvements in the Facility of approximately \$13,500,000.
- (c) The Project will not have significant impact from local labor construction in the Town.
- (d) Wage rates for the employees of the Company average \$268,532 per year for management employees, \$78,897 for professional employees, \$42,130 per year for administrative employees, \$98,489 per year for supervisor employees, \$51,117 for production employees and \$89,470 for other employees not including fringe benefits, which is greater than the median wage for the region.

- (e) The Company sells its products both domestically and internationally and the Project will have a positive impact on regional wealth creation.
- (f) The Project will not have a significant effect on in-region purchases.
- (g) The Company is in the forefront of diagnostic bioscience technology that develops, manufactures, and sells proprietary technology solutions and platforms to clinical laboratories, specialty clinics, researchers and physicians globally. The Project will further Long Island's biotechnology industry. The Long Island Regional Economic Development Council recently announced that biotechnology is the Long Island Region's key industry cluster.
- (h) The Project will not have a significant effect on energy efficiency.
- (i) The Project will not affect existing land use or zoning.
- (j) The Company is a major employer in the Town employing approximately 380 employees in the Labor Market Area as defined in the Application and the Project will assist in retention and growth of employment in the Town. In addition, the Project is expected to result in the relocation or growth of certain manufacturing jobs from Ann Arbor, Michigan to Farmingdale. Based on the evaluation of the foregoing evaluation criteria, (a) The Agency hereby finds and determines that (i) the Project constitutes a "Project" within the meaning of the Act; (ii) the Project is necessary for the Company to maintain its competitive position in its industry and to prevent the Company from relocating its facilities outside of New York State and (iii) the granting of mortgage recording tax abatements, real property tax abatements and sales and use tax abatements (collectively the "Financial Assistance") by the Agency with respect to the Facility pursuant to the Act, will promote job opportunities, health, general prosperity and the economic welfare of the inhabitants of the Town and the State of New York and improve their standard of living, and thereby serve the public purposes of the Act.

(b) It is desirable and in the public interest for the Agency to grant Financial Assistance to the Company with respect to the Project.

(c) The Agency shall grant Financial Assistance to the Company in the form of New York State and local Sales and Use Tax abatements as provided in Section 5.2 of the Lease Agreement and in the event of the occurrence of a recapture event under

the Lease Agreement the Agency will pursue recapture of Financial Assistance as provided in Section 5.4 of the Lease Agreement.

Section 4. Pursuant to the Lease Agreement, the Company will make certain payments in lieu of real property taxes (“Pilots”) which would be otherwise due and payable with respect to the Facility.

Section 5. In order to provide the Company with financial assistance with respect to exemption from New York State and local Sales and Use Taxes with respect to the Project the Agency may issue one or more Sales Tax Agent Authorization Letters (“Sales Tax Authorization Letters”) which shall be used pursuant to the terms contained therein and in the Lease Agreement.
