WHEREAS, the Town of Babylon Industrial Development Agency (the "Agency") is authorized under the laws of the State of New York, and in particular under the provisions of the New York State Industrial Development Agency Act and the Agency's enabling legislation, respectively constituting Article 18-A and Section 907-a of the General Municipal Law (Chapter 24 of the Consolidated Laws of New York), as amended (the "Act"), to assist in providing for manufacturing, warehousing, research, civic, commercial and industrial facilities in the Town of Babylon (the "Town"); and

WHEREAS, the Agency has heretofore provided financial assistance within the meaning of the Act to Curtiss-Wright Flow Control Corporation, a corporation organized and existing under the laws of the State of New York (the "Lessee") and certain of its affiliates, with respect to the facilities of the Lessee located at 1966E Broadhollow Road in East Farmingdale, New York (the "Existing Facility"), pursuant to a straight lease transaction dated February 25, 2003 between the Agency and the Lessee; and

WHEREAS, provision of financial assistance by the Agency to the Existing Facility has expired; and

WHEREAS, representatives of the Lessee have filed or caused to be filed an application with the Agency concerning a new project (the "Project") consisting of the reconstruction, renovation and re-equipping of the Existing Facility which will include approximately \$3,900,000 of short term capital expenditures and improvements at the Existing Facility and additional capital expenditures over time (the Existing Facility as so improved "Facility") which will be undertaken by the Lessee all for use by the Lessee and its affiliates in its business of the manufacture, warehousing and distribution of military and commercial valves used in submarines, aircraft carriers, atomic energy plants, fossil fuel plants and industrial plants; and

WHEREAS, pursuant to said application representatives of the Lessee have indicated that the Lessee and its affiliates currently employ approximately 217 employees in the Town and the Project and the Facility will result in the retention, location and growth of a substantial number of permanent full time jobs within the Town of Babylon over the next years; and

WHEREAS, in order to induce such facilities within the Town it appears necessary to assist the Lessee by maintaining legal title to the Facility so as to afford the Lessee certain relief from mortgage recording taxation, relief from real property taxation and relief from sales and use taxation for a limited period; and

WHEREAS, it is contemplated that the Agency will assist the Lessee to undertake the Project and will Lease the Facility to the Lessee pursuant to an Amended and Restated Lease Agreement (the "Lease Agreement"), by and between the Lessee and the Agency pursuant to

which the Lessee agrees, among other things, to make lease payments in such amounts as specified in the Lease Agreement; and

WHEREAS, pursuant to the Lease Agreement, the Lessee has agreed to make certain payments in lieu of real property taxes with respect to the Facility to the Agency; and

WHEREAS, it is desired that the Agency authorize the granting of certain financial assistance to the Lessee in connection with the Project including exemption from mortgage recording taxes, real property taxes and sales and use taxes.

NOW, THEREFORE, BE IT DETERMINED, APPROVED AND RESOLVED by the members of the Agency as follows:
