WHEREAS, the Town of Babylon Industrial Development Agency (the "Agency") is authorized under the laws of the State of New York, and in particular under the provisions of the New York State Industrial Development Agency Act and the Agency's enabling legislation, respectively constituting Article 18-A and Section 907-a of the General Municipal Law (Chapter 24 of the Consolidated Laws of New York), as amended (the "Act"), to assist in providing for manufacturing, warehousing, research, civic, commercial and industrial facilities in the Town of Babylon; and

WHEREAS, representatives of ISG-LI, LLC, a New York limited liability company (the "Company") has filed or caused to be filed an application with the Agency concerning a project (the "Project") consisting of the acquisition, renovation and equipping of an approximately 13,500 square foot building (approximately 3,500 of which will be renovated) located at 2111 Wellwood Avenue (a/k/a 5 Wellwood Avenue) in East Farmingdale, New York, all for use by the Company as an office, development, storage and distribution center facility (the "Facility"), in its food brokerage services, food preparation and sampling business; and

WHEREAS, in order to induce the Company to create and grow jobs in the Town it appears necessary to assist the Company by taking leasehold title to the Facility so as to afford the Company certain relief from mortgage recording taxation, relief from real property taxation, and relief from sales and use taxation for a limited period; and

WHEREAS, the transactions contemplated in this resolution shall not result in the removal of any facility or plant of any Facility occupant(s) from one area of the State to another area of New York State or in the abandonment of one or more facilities or plants of the Facility occupant(s) located within New York State, except as permitted by the Act, and the relocation of the Company's facilities from Mineola to East Farmingdale is necessary for the Company to maintain its competitive position in its industry in order to provide the Company increased space for existing and future operations; and

WHEREAS, it is contemplated that the Company will cause the transfer or lease of the Facility to the Agency pursuant to a Company Lease Agreement (the "Company Lease") and the Agency will assist the Company to undertake the Project and will lease or sublease the Facility to the Company pursuant to a Lease and Project Agreement (the "Lease Agreement"), by and between the Company and the Agency pursuant to which the Company agrees, among other things, to make lease payments in such amounts as specified in the Lease Agreement; and

WHEREAS, pursuant to the Lease Agreement the Company has agreed to make certain payments in lieu of real property taxes with respect to the Facility to the Agency; and

WHEREAS, in connection with the adoption of this resolution the Agency has reviewed the Project Application and the Company has confirmed in such Project Application that as of the date of the Projection Application, the Company is in substantial compliance with the Act; and

WHEREAS, in connection with the Agency's evaluation of the Project for the provision of financial assistance, the Agency has (i) assessed all material information relating to the project included in the Company's project application (the "Project Application") in order to afford a reasonable basis for the decision of the Agency to provide financial assistance to the Project; (ii) reviewed the Agency's written cost benefit analysis for the Project which identifies the extent to which (A) the Project will create or retain permanent, private sector jobs; (B) the estimated value of any tax exemption to be provided to the Project, (C) the amount of private sector investment generated or likely to be generated by the Project; (D) reviewed the likelihood of accomplishing the proposed project in a timely fashion; and (E) considered the extent to which the Project will provide additional sources of revenue for the Town and the school district where the Facility is located: and

WHEREAS, there has been submitted to the Agency an environmental assessment form with respect to this proposed action in accordance with the State Environmental Quality Review Act and the regulations promulgated thereunder ("SEQRA"); and

WHEREAS, it is desired that the Agency authorize the granting of certain financial assistance to the Company in connection with the Project and the Facility including exemption from mortgage recording taxes, real property taxes and sales and use taxes.

NOW, THEREFORE, BE IT DETERMINED, APPROVED AND RESOLVED by the members of the Agency as follows:

Section 1. With respect to the Agency's evaluation criteria for Manufacturing, Warehousing and Distribution Projects the Agency makes the following determinations:

- (c) The Project will not have significant impact from local labor construction in the Town.
- (d) Wage rates for the employees of the Company average \$160,000 to \$310,000 per year for management employees, \$115,000 for

- (f) The Project will not have a significant effect on in-region purchases.
- (g) The Project will not have a significant effect on energy efficiency.

Section 2. Based on the evaluation of the foregoing evaluation criteria, (a) The Agency hereby finds and determines that (i) the Project constitutes a “Project” within the meaning of the Act; (ii) the Project is necessary for the Company to maintain its competitive position in its industry and to prevent the Company from relocating its facilities outside of New York State and (iii) the granting of mortgage recording tax abatements, real property tax abatements and sales and use tax abatements (collectively the “Financial Assistance”) by the Agency with respect to the Facility pursuant to the Act, will promote job opportunities, health, general prosperity and the economic welfare of the inhabitants of the Town of Babylon, New York and the State of New York and improve their standard of living, and thereby serve the public purposes of the Act.

(b) It is desirable and in the public interest for the Agency to grant Financial Assistance to the Company with respect to the Project.

Tax Authorization Letters”) which shall be used pursuant to the terms contained therein and in the Lease Agreement.

Section 6.
