WHEREAS, the Town of Babylon Industrial Development Agency (the “Agency”) is authorized under the laws of the State of New York, and in particular under the provisions of the New York State Industrial Development Agency Act and the Agency’s enabling legislation, respectively constituting Article 18-A and Section 907-a of the General Municipal Law (Chapter 24 of the Consolidated Laws of New York), as amended (the “Act”), to assist in providing for manufacturing, warehousing, research, civic, commercial and industrial facilities in the Town of Babylon; and

WHEREAS, representatives of J.M. Haley Corp, a corporation organized and existing under the laws of the State of New York (the “Sublessee”) and Blessed Horizons Realty, LLC or any other real estate holding entity formed by the principals of the Company (the “Lessee”) have supplied information to the Agency concerning the acquisition, renovation and equipping by the Lessee of an approximately 9,600 square foot building for use by the Company as an office and manufacturing facility (the “Project”) located on that certain approximately .61 acre lot, piece or parcel of land generally known as and located at 151-155 Toledo Street, Farmingdale, New York (the “Facility”) in the Town of Babylon, New York (the “Town”) in its business of sheet metal manufacturing and fabrication for HVAC Contractors; and

WHEREAS, representatives of the Sublessee have indicated that their current location located at 71 Sylvester Street in Westbury, New York (the “Existing Facility”) is too small for its current requirements and relocation to the Facility is necessary for the Sublessee to maintain its competitive position in its industry and, based on our review of the application, is necessary to preserve the competitive position of the Sublessee in its industry;

WHEREAS, representatives of the Lessee and the Sublessee have indicated that the Project will result in the location and growth of a significant number of permanent full time jobs within the Town; and

WHEREAS, in order to induce such facilities within the Town it appears necessary to assist the Lessee and the Sublessee by taking legal title to the Facility so as to afford the Sublessee and the Lessee certain relief from mortgage recording taxation, relief from real property taxation and relief from sales and use taxation for a limited period; and

WHEREAS, it is contemplated that the Lessee or the current owner of the Facility will cause the transfer pursuant to a deed of the Facility to the Agency and the Agency will assist the Lessee and the Sublessee to undertake the Project and will Lease the Facility to the Lessee pursuant to a Lease Agreement (the “Lease Agreement”), by and between the Lessee and the Agency pursuant to which the Lessee agrees, among other things, to make lease payments in such amounts as specified in the Lease Agreement and it is intended that the Lessee will sublease the Facility to the Sublessee pursuant to a Sublease Agreement (the “Sublease Agreement”), by

and between the Lessee and the Sublessee pursuant to which the Sublessee agrees, among other things, to make sublease payments in such amounts as specified in the Sublease Agreement which shall equal all amounts due to the Agency under the Lease Agreement; and

WHEREAS, pursuant to the Lease Agreement and the Sublease Agreement the Lessee and the Sublessee have agreed to make certain payments in lieu of real property taxes with respect to the Facility to the Agency; and

WHEREAS, the Agency has made certain findings and determinations in its inducement resolution regarding the Project adopted on December 17, 2013, which by this reference are adopted and confirmed as though made on the date hereof; and

WHEREAS, it is desired that the Agency authorize the granting of certain financial assistance to the Lessee and the Sublessee in connection with the Project including exemption from mortgage recording taxes, real property taxes and sales and use taxes.
