NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE TOWN OF BABYLON INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Agency, based upon the representations made by the Company and the Operator to the Agency in the Application, hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) The Project constitutes a "project", as such term is defined in the Act; and

(C) The acquisition, renovation, reconstruction and equipping of the Project Facility and the leasing of the Project Facility to the Company will promote and maintain the job

opportunities, health, general prosperity and economic welfare of the citizens of the Town of Babylon and the State and improve their standard of living and thereby serve the public purposes of the Act; and

(D) The acquisition, renovation, reconstruction and equipping of the Project Facility is reasonably necessary to induce the Company and the Operator to maintain and expand their business operations in the Town and the State; and

(E) Based upon representations of the Company, the Operator and counsel to the Company and the Operator, the Project Facility conforms with the local zoning laws and planning regulations of the Town and all regional and local land use plans for the area in which the Project Facility is located; and

(F) The completion of the Project Facility will result in the removal of a plant or facility of the Operator or any other proposed occupant of the Project from one area of the State to another area of the State or in the abandonment of a plant or facility of the Operator or of any proposed occupant of the Project located in the State but the Project is reasonably necessary to discourage the Company and the Operator from removing such other plant or facility to a location outside the State of New York or is reasonably necessary to preserve the competitive position of the Company and the Operator in its respective industry; and

(G) The Project Facility does not constitute a project where facilities or property that are primarily used in making retail sales to customers who personally visit such facilities constitute more than one-third of the total project cost.

Section 2. In consequence of the foregoing, the Agency hereby determines to: (A) proceed with the Project; (B) acquire (i) a leasehold interest in the Land and all improvements now or hereafter located on the Land from the Company pursuant to the Underlying Lease, and (ii) title to the Equipment and the Operator Equipment pursuant to the Bill of Sale to Agency and the Operator Bill of Sale to Agency; (C) lease the Project Facility to the Company pursuant to the Lease Agreement; (D) acquire, construct, reconstruct and install the Project, or cause the Project to be acquired, constructed, reconstructed, and installed, as provided in the Lease Agreement and the Equipment Lease Agreement; (E) grant to the Company exemptions from real estate taxes with respect to the Project Facility, provided that the Company executes and delivers to the Agency the Lease Agreement; (F) grant to the Lender such mortgage lien on and security interest in its interest in the Project Facility and assign to the Lender all leases and rents with respect to the Project Facility, in each case as required by the Lender and the Loan Documents; and (G) grant to the Company and the Operator the Financial Assistance with respect to the Project. In the event of the occurrence of a recapture event under the Lease Agreement or the Equipment Lease Agreement, the Agency will pursue recapture of Financial Assistance as provided therein.

Section 3. The Agency is hereby authorized to acquire an interest in the Project Facility and to do all things necessary or appropriate for the accomplishment of the Project, and all acts heretofore taken by the Agency with respect to such Project are hereby approved, ratified and confirmed.

(B) The CEO and any other Authorized Representatives are each hereby further authorized, on behalf of the Agency, to designate any additional Authorized Representatives to execute any Agency Documents, Loan Documents or certificates of the Agency authorized pursuant to this Resolution and determine the terms of the Agency Documents and the Loan Documents.

The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required or provided for by the provisions of the Agency Documents and the Loan Documents, and to execute and deliver all such additional certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolution and to cause compliance by the Agency with all of the terms, covenants and provisions of the Agency Documents and the Loan Documents binding upon the Agency.

Section 6. The Agency hereby delegates to the Company and the Operator, as agents of the Agency, the authority to designate (following the execution and delivery of the Agency Documents), agents and sub-agents of the Agency (each, a “Sub-Agent”) for purposes of utilizing the Agency sales and use tax exemption with respect to the acquisition, reconstruction and installation of the Project Facility; provided that any such sub-agency designation shall become effective only upon submission to the Agency within fifteen (15) days of such agency and sub-agency designation: (1) an executed sub-agent appointment agreement (in a form approved by the Agency) and (2) a completed Form ST-60 of the New York State Department of Taxation and Finance (IDA Appointment of Project Operator or Agent for Sales Tax Purposes). Such agents and sub-agents may include contractors and subcontractors involved in the acquisition, reconstruction and installation of the Project Facility.

Section 7. The terms and conditions of subdivision 3 of Section 875 of the Act are herein incorporated by reference and the Company, the Operator and any other agents and subagents shall agree to such terms as a condition precedent to receiving or benefiting from an exemption from State sales and use exemptions benefits.
