WHEREAS, to aid the Agency in determining whether the action described above may have a significant adverse impact upon the environment, the Company prepared an Environmental Assessment Form (the “EAF”), a copy of which is on file at the office of the Agency; and

WHEREAS, the Agency has examined and reviewed the EAF in order to classify the action and make a determination as to the potential significance of the action pursuant to SEQRA;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE TOWN OF BABYLON INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. Based upon an examination of the EAF, the criteria contained in 6 NYCRR § 617.7(c), and based further upon the Agency’s knowledge of the action and its environmental effects as the Agency has deemed appropriate, the Agency makes the following findings and determinations pursuant to SEQRA:

(i) The action consists of the components described above in the second WHEREAS clause of this resolution; and

(ii) The action constitutes a “Type II Action” (as said quoted term is defined in SEQRA) and therefore no further environmental review is required under SEQRA.

Section 2. The Agency, based upon the representations made by the Company to the Agency in the Application, hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) The Project constitutes a “project”, as such term is defined in the Act; and

(C) The acquisition, renovation and equipping of the Facility and the leasing of the Facility to the Company will promote and maintain the job opportunities, health, general prosperity and economic welfare of the citizens of the Town of Babylon and the State of New York and improve their standard of living and thereby serve the public purposes of the Act; and

(D) The acquisition, renovation and equipping of the Facility and the leasing of the Facility to the Company is reasonably necessary to induce the Company to maintain and expand its business operations in the Town and in the State; and

(E) Based upon representations of the Company and counsel to the Company, the Facility conforms with the local zoning laws and planning regulations of the Town and all regional and local land use plans for the area in which the Facility is located; and

(F) The completion of the Facility will not result in the removal of a plant or facility of the Company or any other proposed occupant of the Facility from one area of the State to another area of the State or in the abandonment of a plant or facility of the Company or of any proposed occupant of the Facility located in the State; and

(G) The Project does not constitute a project where facilities or property that are primarily used in making retail sales to customers who personally visit such facilities constitute more than one-third of the total project cost.

Section 3. In consequence of the foregoing, the Agency hereby determines to: (A) proceed with the Project; (B) acquire (i) a leasehold interest in the Land and all improvements now or hereafter located on the Land from Company Lease, and (ii) title to the Bill of Sale to Agency from the Company to the Agency; (C) lease the Facility to the Company pursuant to the Lease Agreement; (D) acquire, construct, reconstruct and install the Project, or cause the Project to be acquired, constructed, reconstructed, and installed, as provided in the Lease Agreement; (E) grant to the Company exemptions from real estate taxes with respect to the Facility, provided that the Company executes and delivers to the Agency the Lease Agreement; and (F) grant to the Company the Financial Assistance with respect to the Project. In the event of the occurrence of a recapture event under the Lease Agreement, the Agency will pursue recapture of Financial Assistance as provided therein.

Section 4. The Agency is hereby authorized to acquire an interest in the Facility and to do all things necessary or appropriate for the accomplishment of the Project, and all acts heretofore taken by the Agency with respect to such Project are hereby approved, ratified and confirmed.

Section 5. (A) The Preliminary Agreement and the Agency Documents shall be in form and substance satisfactory to the Chief Executive Officer (“CEO”) or the Chief Financial Officer

("CFO") and the Agency Counsel and shall be in substantially similar form to the documents used in connection with prior Agency projects. The CEO, the CFO, the Chairman and the Secretary (each an "Authorized Representative") are each hereby authorized, on behalf of the Agency, to execute and deliver the Preliminary Agreement, the Agency Documents, and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby authorized to affix the seal of the Agency thereto and to attest the same.

(B) The CEO, the CFO and any other Authorized Representatives are each hereby further authorized, on behalf of the Agency, to designate any additional Authorized Representatives to execute any Agency Documents or certificates of the Agency authorized pursuant to this Resolution and determine the terms of the Agency Documents.

Section 6. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required or provided for by the provisions of the Agency Documents, and to execute and deliver all such additional certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolution and to cause compliance by the Agency with all of the terms, covenants and provisions of the Agency Documents binding upon the Agency.

Section 7. The Agency hereby delegates to the Company, as agent of the Agency, the authority to designate (following the execution and delivery of the Agency Documents), agents and sub-agents of the Agency (each, a "Sub-Agent") for purposes of utilizing the Agency sales and use tax exemption with respect to the acquisition, reconstruction and installation of the Facility; provided that any such sub-agency designation shall become effective only upon submission to the Agency within fifteen (15) days of such agency and sub-agency designation: (1) an executed sub-agent appointment agreement (in a form approved by the Agency) and (2) a completed Form ST-60 of the New York State Department of Taxation and Finance (IDA Appointment of Project Operator or Agent for Sales Tax Purposes). Such agents and sub-agents may include contractors and subcontractors involved in the acquisition, reconstruction and installation of the Facility.

Section 8. The terms and conditions of subdivision 3 of Section 875 of the Act are herein incorporated by reference and the Company shall agree to such terms as a condition precedent to receiving or benefiting from an exemption from New York State sales and use exemptions benefits. Notwithstanding anything herein to the contrary, the amount of State and local sales and use tax exemption benefits comprising the Financial Assistance approved herein shall not exceed **\$189,750 and shall last no longer than two years from the execution and delivery of the Agency Documents.**

Section 9. Notwithstanding anything herein to the contrary, the amount of real property tax exemption benefits comprising the Financial Assistance approved herein shall be approximately **\$930,800**, which such amount reflects the total estimated real property tax exemptions for the Facility (which constitute those taxes that would have been paid if the Facility were on the tax rolls and not subject to the Lease Agreement) of approximately \$3,115,171 less the estimated payments in lieu of

taxes of approximately \$2,184,371 to be made by the Company to the affected tax jurisdictions with respect to the Facility during the terms of the Lease Agreement. The approximate amount of estimated real property tax exemptions and the approximate amount of estimated payments in lieu of taxes are estimated based on an assumed assessed value of the Facility and assumed future tax rates of the affected tax jurisdictions. The actual amount of real property tax abatement benefit is subject to change over the terms of the Lease Agreement depending on any changes to assessed value and/or tax rates of the Affected Tax Jurisdictions. Exhibit A attached hereto reflects the calculation for the annual amount of the payments in lieu of taxes to be made to the affected tax jurisdictions in each year during the terms of the Lease Agreement.

Section 10. The Preliminary Agreement, the Agency Documents and the Loan Documents shall be deemed the obligations of the Agency, and not of any member, officer, agent or employee of the Agency in his/her individual capacity, and the members, officers, agents and employees of the Agency shall not be personally liable thereon or be subject to any personal liability or accountability based upon or in respect hereof or of any transaction contemplated hereby. The Preliminary Agreement, the Agency Documents and the Loan Documents shall not constitute or give rise to an obligation of the State of New York or Suffolk County, New York and neither the State of New York nor Suffolk County, New York shall be liable thereon, and further, such agreement shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency.

Section 11. This resolution shall take effect immediately upon adoption.
