Part II Operations at Current location

Question # 6 (B)

The project is necessary for the company to maintain its competitive position in the industry. Therefore, the purchase of this facility located at 71-75 Verdi Street will enable us to compete on par with other companies which have deeper product base than Alfa Piping and the reason why is the lack of space that we are presently operating in. We presently are located at 54-15 48th Street Maspeth NY where we occupy approximately 9,500 square feet of a one-story facility of warehouse and office space. The purchase of this property will enable us to operate efficiently and expand Alfa Piping. The additional space we will acquire will allow us to fabricate the needed piping requirements for clients instead of doing all the fabrication such as cutting the piping, attaching fittings, valves and the like on site. We will be able to have them completed to the spec requirements in the new facility and bring them to the job location. This will increase the field productivity and allow Alfa Piping to maintain its competitive position while remaining in New York State.

Re: Alfa Piping Corp.
Form Application for Financial Assistance
Part II - Operation at Current Location - Question # 7
Has Applicant actively considered sites in another state?

Question # 8 - Is the requested assistance reasonably necessary to prevent the Applicant
From moving out of New York State?

Dear Mr. Dolan,

Question # 7 - The answer is Yes! We looked at properties in New Jersey knowing that moving to New Jersey would not have any adverse effect on the company. We found that the cost of comparable space was less with lower operating cost. The New Jersey Economic Development Authority was also willing to provide us with programs such as the Grow New Jersey (Corporate Tax Credits), Loan Programs, Premier Loan Programs and Sales Tax Exemption.

Question # 8 - The answer is Yes! The requested financial assistance is not only reasonably necessary but is definitely necessary in keeping the company from moving out of New York. Without the financial assistance, the cost of operating in New York would be prohibitive, including the upfront capital cost and the associated tax liabilities would greatly diminish the company's ability to remain competitive and grow.

Part III - Project Data - Question 5
Proposed Use - D
Need / purpose for project (e.g., why is it necessary, effect on Applicant's business)

Dear Mr. Dojan,

Alfa is presently located in a one story building of approximately 9,500 square feet of which 3,500 square feet is office space leaving 6,000 square feet of warehouse space. The office is overcrowded and uncomfortable to work in. By moving to the Farmingdale location, employees will be situated in a nicer environment, spacey and comfortable, more conducive to an efficient and productive atmosphere. It will also leave open the option of hiring additional office personnel which will be necessary once the move is complete.

As to the warehouse, Alfa will have more space at the new location, allowing for the purchase of additional fabrication equipment and the hiring of additional shop employees allowing for the increase in its piping fabrication; which will increase overall field productivity and gross profit margins.

Both of the above will have positive effects not only on the bottom line, but on the overall moral of the company.

7. Project Completion Schedule:

A. What is the proposed commencement date for the acquisition and the construction/renovation/equipping of the project?

- i. Acquisition: JANUARY 2019

Other			
STEAMFITTERS	45	\$ 95,000	\$ 80,000
TOTAL	57		

Note: The Agency reserves the right to visit the facility to confirm that job creation numbers are being met.

3. Annualized salary range of jobs to be created in the first two years (see question #1).

FROM \$ 65,000 TO \$ 105,000

4. List the number of *Construction jobs (if applicable) to be created by the Applicants Project.

	<u>First Year</u>	<u>Second Year</u>	<u>Third Year</u>
* Full-Time	<u>N/A</u>	<u>N/A</u>	<u>N/A</u>
** Part-Time	<u>N/A</u>	<u>N/A</u>	<u>N/A</u>

*Construction jobs are defined as full-time equivalents (FTE), or 2,080-hour units of labor (one construction period job equates to one full-time job for 1 year).

**A part-time or temporary job may be considered one job by other models, but would constitute only a fraction of a job. For example, if a laborer or craftsman worked only 3 months on a construction or renovation project (assuming no overtime), that would be considered one-quarter of a job.

Part VII - Representations, Certifications and Indemnification
Question # 3 - Is there likelihood that the Applicant would not proceed with this project without
The Agency's Assistance?
Question # 4 - If the Applicant is unable to obtain financial assistance from the Agency for the
Project, what would be the impact on the Applicant and on the Municipality?

Dear Mr. Dolan,

Notwithstanding the desirability of this proposal site it must be stated that the purchase of this property is only feasible if IDA sponsored financing is made available. Furthermore, it holds true for any other facility that might be interested in purchasing in the town of Farmingdale. The cost of real property coupled with the ancillary cost of operating in the town of Farmingdale (real estate taxes, electric charges, etc.) and conventional financing will make a great impact on the ability of the company to be competitive and will certainly make a difference on the company's profitability. The differential in cash flow that all the benefits the Town of Farmingdale has for the company will allow us to operate and expand while remaining in New York. Were it not for the availability of these benefits we would have no choice but to set up our operation outside of New York where IDA like benefits are being offered and where real estate taxes and operating costs are less. The Town of Farmingdale will benefit from the company's tax revenues, revenues generated from the economic activity of the company as business tax, sales tax from purchases and employees income tax. The Municipality will have new employment growth and not lose it to outside of New York State.

5. The Applicant understands and agrees that the provisions of Section 862(1) of the New York General Municipal Law, as provided below, will not be violated if financial assistance is provided for the proposed project:

§ 862. Restrictions on funds of the agency. (1) No funds of the agency shall be used in respect of any project if the completion thereof would result in the removal of an industrial or manufacturing plant of the project occupant from one area of the state to another area of the state or in the abandonment of one or more plants or facilities of the project occupant located within the state, provided, however, that neither restriction shall apply if the agency shall determine on the basis of the application before it that the project is reasonably necessary to discourage the project occupant from removing such other plant or facility to a location outside the state or is reasonably necessary to preserve the competitive position of the project occupant in its respective industry.

6. The Applicant understands and agrees that in accordance with Section 858-b(2) of the General Municipal Law, except as otherwise provided by collective bargaining agreements, new employment opportunities created as a result of the project will be listed with the New York State Department of Labor, Community Services Division and with the administrative entity of the service delivery area created pursuant to the Job Training Partnership Act (PL 97-300) in which the project is located (collectively, the "Referral Agencies"). The Applicant also agrees, that it will, except as otherwise provided by collective bargaining contracts or agreements to which they are parties, first consider for such new employment opportunities persons eligible to participate in federal job training partnership programs who shall be referred by the Referral Agencies

Initial MC

7. The Applicant confirms and acknowledges that the owner, occupant, or operator receiving financial assistance for the proposed project is in substantial compliance with applicable local, state and federal tax, worker protection and environmental laws, rules and regulations.

Initial MC

8. The Applicant confirms and acknowledges that the submission of any knowingly false or knowingly misleading information may lead to the immediate termination of any financial assistance and the reimbursement of an amount equal to all or part of any tax exemption claimed by reason of the Agency's involvement the Project.

Initial MC

9. The Applicant confirms and hereby acknowledges that as of the date of this Application, the Applicant is in substantial compliance with all provisions of Article 18-A of the New York General Municipal Law, including, but not limited to, the provision of Section 859-a and Section 862(1) of the New York General Municipal Law.

Initial MC

10. In accordance with Section 862(1) of the New York General Municipal Law the Applicant understands and agrees that projects which result in the removal of an industrial or manufacturing plant of the project occupant from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of the project occupant within the State is ineligible for financial assistance from the Agency, unless otherwise approved by the Agency as reasonably necessary to preserve the competitive position of the project in its respective industry or to discourage the project occupant from removing such other plant or facility to a location outside the State.

Exhibit A

Payments in Lieu of Taxes on the Land and the Buildings:

For the period commencing on the PILOT Commencement Date (hereinafter defined) until the Abatement Termination Date or (ii) the date on which the Agency no longer owns the Facility Realty, the Lessee shall make payment in lieu of real estate taxes (the "PILOT Payments"), as follows:

Definitions

X = the then current assessed value of Facility Realty from time to time

PILOT Commencement Date = the Taxable Status Date of the Town immediately following the date hereof.

Normal Tax Due = those payments for taxes and assessments, other than special ad valorem levies, special assessments and service charges against real property located in the Town of Babylon (including any existing incorporated village or any village which may be or may have been incorporated after the date hereof, within which the Project is wholly or partially located) which are or may be imposed for special improvements or special district improvements, which the Lessee would pay without exemption.

Tax Year = the Tax Year of the Town commencing each December 1 and ending the following November 30

Tax Year

1	40.0% Normal Tax Due on X
2	44.0% Normal Tax Due on X
3	48.0% Normal Tax Due on X
4	52.0% Normal Tax Due on X

13	88.0% Normal Tax Due on X
14	92.0% Normal Tax Due on X
15	96.0% Normal Tax Due on X
16 and thereafter	100% Normal Tax Due on X

The tax benefits provided for in this subsection shall be deemed to commence on the PILOT Commencement Date. In no event shall the Lessee be entitled to receive real property tax benefits due to the Project under this agreement for a period longer than the period set forth in the formula immediately above. Notwithstanding the foregoing schedule, the Lessee further covenants and agrees that for any period that the Agency continues to hold title to the Facility after termination, the Lessee shall pay 100% of the Normal Tax Due on X together with any special assessment and services charges relating to the Facility whichever may be imposed for special district improvements in accordance with the provisions of this Section.

SCHEDULE B

Recapture of Agency Benefits. It is understood and agreed by the parties to this Agreement that the Agency is entering into this Agreement in order to provide financial assistance to the Lessee for the Project and to accomplish the public purposes of the Act. In consideration therefor, the Lessee hereby agrees as follows:

(a)(i) If there shall occur a Recapture Event after the date hereof, the Lessee or the Sublessee shall pay to the Agency as a return of public benefits conferred by the Agency, the following amounts:

(A) one hundred per cent (100%) of the Benefits (as defined below) if the Recapture Event occurs within the first five (5) years after the date hereof;

(B) eighty per cent (80%) of the Benefits if the Recapture Event occurs during the period from the sixth (6th) year through and including the eighth (8th) year after the date hereof;

(C) sixty per cent (60%) of the Benefits if the Recapture Event occurs during the ninth (9th) year after the date hereof;

(D) forty per cent (40%) of the Benefits if the Recapture Event occurs during the tenth (10th) year after the date hereof; or

(E) twenty per cent (20%) of the Benefits if the Recapture Event occurs during the eleventh (11th) year after the date hereof.

As used in this Section, the term "**Benefits**" shall mean, collectively:

(1) all real estate tax benefits which have accrued to the benefit of the Lessee or the Sublessee commencing from and after the "Commencement Date", and during the period of time that the Agency is the owner of the Facility, such tax benefits to be computed by subtracting the payments in lieu of taxes paid under Section 4.3 hereof from those payments which the Lessee or the Sublessee would have been required to pay during the term of this Agreement (within the meaning of Section 3.2 hereof) had the Town determined the amount of such real estate taxes as would be due if the Lessee had been the owner of the Facility Realty during such term; and

(2) all miscellaneous benefits derived from the Agency's participation in the straight-lease transaction contemplated by this Agreement, including, but not limited to, any exemption from any applicable state or local sales and use tax, mortgage recording tax and filing and recording fees accruing from and after the date hereof.

MC 1/7/2019

As used in this Section, the term "**Recapture Event**" shall mean any of the following events:

- (1) The Lessee or the Sublessee shall have liquidated its operations and/or assets (absent a showing of extreme hardship);
- (2) The Lessee or the Sublessee shall have ceased all or substantially all of its operations at the Facility (whether by relocation to another facility or otherwise, or whether to another facility either within or outside of the Town) through no force majeure event;
- (3) The Lessee or the Sublessee shall have transferred all or substantially all of its employees within the Town to a location outside of the Town through no force majeure event;
- (4) The Lessee or the Sublessee shall have subleased all or any portion of the Facility in violation of the limitations imposed by Section 9.3 hereof, without the prior written consent of the Agency;
- (5) The Lessee or the Sublessee shall have sold, leased, transferred or otherwise disposed of all or substantially all of its interest in the Facility; or
- (6) Base Employment Reduction Percentage shall be greater than fifteen percent (15%) due to a Relocation Reduction occurring with respect to an Annual Period.

Notwithstanding the foregoing, a Recapture Event shall not be deemed to have occurred if the Recapture Event shall have arisen as a direct, immediate result of (i) a taking or condemnation by governmental authority of all or substantially all of the Facility, or (ii) the inability at law of the Lessee to rebuild, repair, restore or replace the Facility after the occurrence of a Loss Event to substantially its condition prior to such Loss Event, which inability shall have arisen in good faith through no fault on the part of the Lessee or any Affiliate.

(b) The Lessee covenants and agrees to furnish the Agency with written notification upon any Recapture Event or disposition of the Facility or any portion thereof made within twelve (12) years of the Commencement Date, which notification shall set forth the terms of such Recapture Event and/or disposition.

(c) In the event any payment owing by the Lessee or the Sublessee under this Section shall not be paid on demand by the Lessee or the Sublessee, such payment shall bear interest from the date of such demand at the then current interest rate imposed on delinquent payments of real property taxes until the Lessee or the Sublessee shall have paid such payment in full, together with such accrued interest to the date of payment, to the Agency.

(d) The Agency, in its sole discretion, may waive all or any portion of any payment owing by the Lessee or the Sublessee under this Section.

(e) The provisions of this Section shall survive the termination of this Agreement for any reason whatsoever, notwithstanding any provision of this Agreement to the contrary.
