SCHEDULE B

Recapture of Agency Benefits. It is understood and agreed by the parties to this Agreement that the Agency is entering into this Agreement in order to provide financial assistance to the Lessee for the Project and to accomplish the public purposes of the Act. In consideration therefor, the Lessee hereby agrees as follows:

(a)(i) If there shall occur a Recapture Event after the date hereof, the Lessee or the Sublessee shall pay to the Agency as a return of public benefits conferred by the Agency, the following amounts:

(A) one hundred per cent (100%) of the Benefits (as defined below) if the Recapture Event occurs within the first (4) years after the date hereof;

(B) eighty per cent (80%) of the Benefits if the Recapture Event occurs during the fifth (5th) year after the date hereof;

(C) sixty per cent (60%) of the Benefits if the Recapture Event occurs during the sixth (6th) year after the date hereof;

(D) forty per cent (40%) of the Benefits if the Recapture Event occurs during the seventh (7th) year after the date hereof; or

(E) twenty per cent (20%) of the Benefits if the Recapture Event occurs during the eighth (8th) year after the date hereof.

As used in this Section, the term "**Benefits**" shall mean, collectively:

(1) all real estate tax benefits which have accrued to the benefit of the Lessee or the Sublessee commencing from and after the "Commencement Date", and during the period of time that the Agency is the owner of the Facility, such tax benefits to be computed by subtracting the payments in lieu of taxes paid hereof from those payments which the Lessee or the Sublessee would have been required to pay during the term of this Agreement had the Town determined the amount of such real estate taxes as would be due if the Lessee had been the owner of the Facility Realty during such term; and

(2) all miscellaneous benefits derived from the Agency's participation in the straight-lease transaction contemplated by this Agreement, including, but not limited to, any exemption from any applicable state or local sales and use tax, mortgage recording tax and filing and recording fees accruing from and after the date hereof.

As used in this Section, the term “Recapture Event” shall mean any of the following events:

(1) The Lessee or the Sublessee shall have liquidated its operations and/or assets (absent a showing of extreme hardship);

(2) The Lessee or the Sublessee shall have ceased all or substantially all of its operations at the Facility (whether by relocation to another facility or otherwise, or whether to another facility either within or outside of the Town) through no force majeure event;

(3) The Lessee or the Sublessee shall have transferred all or substantially all of its employees within the Town to a location outside of the Town through no force majeure event;

(4) The Lessee or the Sublessee shall have subleased all or any portion of the Facility in violation of the limitations imposed hereof, without the prior written consent of the Agency;

(5) The Lessee or the Sublessee shall have sold, leased, transferred or otherwise disposed of all or substantially all of its interest in the Facility; or

(6) Base Employment Reduction Percentage shall be greater than fifteen percent (15%) due to a Relocation Reduction occurring with respect to an Annual Period.

Notwithstanding the foregoing, a Recapture Event shall not be deemed to have occurred if the Recapture Event shall have arisen as a direct, immediate result of (i) a taking or condemnation by governmental authority of all or substantially all of the Facility, or (ii) the inability at law of the Lessee to rebuild, repair, restore or replace the Facility after the occurrence of a Loss Event to substantially its condition prior to such Loss Event, which inability shall have arisen in good faith through no fault on the part of the Lessee or any Affiliate.

(b) The Lessee covenants and agrees to furnish the Agency with written notification upon any Recapture Event or disposition of the Facility or any portion thereof made within twelve (12) years of the Commencement Date, which notification shall set forth the terms of such Recapture Event and/or disposition.

(c) In the event any payment owing by the Lessee or the Sublessee under this Section shall not be paid on demand by the Lessee or the Sublessee, such payment shall bear interest from the date of such demand at the then current interest rate imposed on delinquent payments of real property taxes until the Lessee or the Sublessee shall have paid such payment in full, together with such accrued interest to the date of payment, to the Agency.

(d) The Agency, in its sole discretion, may waive all or any portion of any payment owing by the Lessee or the Sublessee under this Section.

(e) The provisions of this Section shall survive the termination of this Agreement for any reason whatsoever, notwithstanding any provision of this Agreement to the contrary.

Part 2 - Impact Assessment. The Lead Agency is responsible for the completion of Part 2. Answer all of the following questions in Part 2 using the information contained in Part 1 and other materials submitted by the project sponsor or otherwise available to the reviewer. When answering the questions the reviewer should be guided by the concept "Have my responses been reasonable considering the scale and context of the proposed action?"

	No, or small impact may occur	Moderate to large impact may occur
1. Will the proposed action create a material conflict with an adopted land use plan or zoning regulations?	X	
2. Will the proposed action result in a change in the use or intensity of use of land?	X	
3. Will the proposed action impair the character or quality of the existing community?	X	
4. Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)?	X	
5. Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway?	X	
6. Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities?	X	
7. Will the proposed action impact existing:	X	
a. public / private water supplies?	X	
b. public / private wastewater treatment utilities?	X	
8. Will the proposed action impair the character or quality of important historic, archaeological, architectural or aesthetic resources?	X	
9. Will the proposed action result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora and fauna)?	X

10. Will the proposed action result in an increase in the potential for erosion, flooding or drainage problems?	X	
11. Will the proposed action create a hazard to environmental resources or human health?	X	

Part 3 - Determination of significance. The Lead Agency is responsible for the completion of Part 3. For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

<input type="checkbox"/> Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.	
<input type="checkbox"/> Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.
