SCHEDULE B

Agency's Recapture Policy

SCHEDULE B

Recapture of Agency Benefits. It is understood and agreed by the parties to this Agreement that the Agency is entering into this Agreement in order to provide financial assistance to the Lessee for the Project and to accomplish the public purposes of the Act. In consideration therefor, the Lessee hereby agrees as follows:

(a)(i) If there shall occur a Recapture Event after the date hereof, the Lessee or the Sublessee shall pay to the Agency as a return of public benefits conferred by the Agency, the following amounts:

(A) one hundred per cent (100%) of the Benefits (as defined below) if the Recapture Event occurs within the first five (5) years after the date hereof;

(B) eighty per cent (80%) of the Benefits if the Recapture Event occurs during the period from the sixty (6th) year through and including the eighth (8th) year after the date hereof;

(C) sixty per cent (60%) of the Benefits if the Recapture Event occurs during the ninth (9th) year after the date hereof;

(D) forty per cent (40%) of the Benefits if the Recapture Event occurs during the tenth (10th) year after the date hereof; or

(E) twenty per cent (20%) of the Benefits if the Recapture Event occurs during the eleventh (11th) year after the date hereof.

As used in this Section, the term “**Benefits**” shall mean, collectively:

(1) all real estate tax benefits which have accrued to the benefit of the Lessee or the Sublessee commencing from and after the “Commencement Date”, and during the period of time that the Agency is the owner of the Facility, such tax benefits to be computed by subtracting the payments in lieu of taxes paid under Section 4.3 hereof from those payments which the Lessee or the Sublessee would have been required to pay during the term of this Agreement (within the meaning of Section 3.2 hereof) had the Town determined the amount of such real estate taxes as would be due if the Lessee had been the owner of the Facility Realty during such term; and

(2) all miscellaneous benefits derived from the Agency’s participation in the straight-lease transaction contemplated by this Agreement, including, but not limited to, any exemption from any applicable state or local sales and use tax, mortgage recording tax and filing and recording fees accruing from and after the date hereof.

As used in this Section, the term “Recapture Event” shall mean any of the following events:

(1) The Lessee or the Sublessee shall have liquidated its operations and/or assets (absent a showing of extreme hardship);

(2) The Lessee or the Sublessee shall have ceased all or substantially all of its operations at the Facility (whether by relocation to another facility or otherwise, or whether to another facility either within or outside of the Town) through no force majeure event;

(3) The Lessee or the Sublessee shall have transferred all or substantially all of its employees within the Town to a location outside of the Town through no force majeure event;

(4) The Lessee or the Sublessee shall have subleased all or any portion of the Facility in violation of the limitations imposed by Section 9.3 hereof, without the prior written consent of the Agency;

(5) The Lessee or the Sublessee shall have sold, leased, transferred or otherwise disposed of all or substantially all of its interest in the Facility; or

(6) Base Employment Reduction Percentage shall be greater than fifteen percent (15%) due to a Relocation Reduction occurring with respect to an Annual Period.

Notwithstanding the foregoing, a Recapture Event shall not be deemed to have occurred if the Recapture Event shall have arisen as a direct, immediate result of (i) a taking or condemnation by governmental authority of all or substantially all of the Facility, or (ii) the inability at law of the Lessee to rebuild, repair, restore or replace the Facility after the occurrence of a Loss Event to substantially its condition prior to such Loss Event, which inability shall have arisen in good faith through no fault on the part of the Lessee or any Affiliate.

(b) The Lessee covenants and agrees to furnish the Agency with written notification upon any Recapture Event or disposition of the Facility or any portion thereof made within twelve (12) years of the Commencement Date, which notification shall set forth the terms of such Recapture Event and/or disposition.

(c) In the event any payment owing by the Lessee or the Sublessee under this Section shall not be paid on demand by the Lessee or the Sublessee, such payment shall bear interest from the date of such demand at the then current interest rate imposed on delinquent payments of real property taxes until the Lessee or the Sublessee shall have paid such payment in full, together with such accrued interest to the date of payment, to the Agency.

(d) The Agency, in its sole discretion, may waive all or any portion of any payment owing by the Lessee or the Sublessee under this Section.

(e) The provisions of this Section shall survive the termination of this Agreement for any reason whatsoever, notwithstanding any provision of this Agreement to the contrary.
