WHEREAS, the Town of Babylon Industrial Development Agency (the “Agency”) is authorized under the laws of the State of New York, and in particular under the provisions of the New York State Industrial Development Agency Act and the Agency’s enabling legislation, respectively constituting Article 18-A and Section 907-a of the General Municipal Law (Chapter 24 of the Consolidated Laws of New York), as amended (the “Act”), to assist in providing for manufacturing, warehousing, research, civic, commercial and industrial facilities in the Town of Babylon, New York (the “Town”); and

WHEREAS, representatives of Park Plaza Holdings, LLC, a limited liability company organized and existing under the laws of the State of New York or any other real estate holding company created in connection with the foregoing (the “Company”) have filed or caused to be filed an application with the Agency concerning a project (the “Project”) consisting of the acquisition, construction and equipping by the Company of an approximately 78,000 aggregate square foot commercial residential rental facility containing approximately forty-eight (48) residential units for lease to the public, of which ten (10) residential units will be Affordable Housing consistent with the Affordable Housing Policy of the Agency all to be located on that certain approximately 1.1 acre lot, piece or parcel of land (the “Project Site”) generally known as 380 Eastern Parkway in Farmingdale, New York 11735 (the “Facility”), all for use by the Company in its commercial residential rental business; and

WHEREAS, it is contemplated that the Company will cause the transfer, lease or sublease of the Project Site to the Agency pursuant to a Company Lease Agreement (the “Company Lease”) and the Agency will assist the Company to undertake the Project and will sublease the Project Site and lease the Facility to the Company pursuant to a Lease and Project Agreement (the “Lease Agreement”), by and between the Company and the Agency pursuant to which the Company agrees, among other things, to make lease payments in such amounts as specified in the Lease Agreement; and

WHEREAS, pursuant to the Lease Agreement the Company has agreed to make certain payments in lieu of real property taxes with respect to the Facility to the Agency; and

WHEREAS, the Project was the subject of a uniform tax exemption policy deviation; a memo relating to the same of the Agency dated May 6, 2022 (the “Deviation Memo”) was delivered to each of the “affected tax jurisdiction” as defined in the Act; and

WHEREAS, in connection with the Project, the Agency has engaged the National Development Council to prepare a Cost Benefit Analysis Substantiation of Need for

Babylon IDA Financial Assistance (the “NDC Study”) dated April 6, 2022, with respect to the Project; and

WHEREAS, in connection with the Agency’s evaluation of the Project for the provision of financial assistance, the Agency has (i) assessed all material information relating to the Project included in the Company’s project application (the “Project Application”) in order to afford a reasonable basis for the decision of the Agency to provide financial assistance to the Project; (ii) reviewed the Agency’s written cost benefit analysis for the Project which identifies the extent to which (A) the Project will create or retain permanent, private sector jobs; (B) the estimated value of any tax exemption to be provided to the Project, (C) the amount of private sector investment generated or likely to be generated by the Project; (D) reviewed the likelihood of accomplishing the proposed project in a timely fashion; and (E) considered the extent to which the Project will provide additional sources of revenue for the Town and the school district where the Facility is located; and

WHEREAS, in connection with the adoption of this resolution the Agency has reviewed the Project Application and the Company has confirmed in such Project Application that as of the date of the Project Application, the Company is in substantial compliance with the Act; and

WHEREAS, representatives of the Agency held a public hearing with respect to the Project on May 18, 2022 and a transcript of such hearing has been presented to the members of the Agency; and

WHEREAS, it is desired that the Agency authorize the granting of certain financial assistance to the Company in connection with the Project and the Facility including abatements from mortgage recording taxes, real property taxes and sales and use taxes.

NOW, THEREFORE, BE IT DETERMINED, APPROVED AND RESOLVED by the members of the Agency as follows:

Section 1. With respect to the Agency’s evaluation criteria for Affordable Housing Projects the Agency makes the following determinations:

- (a) It has reviewed the information in the Cost Benefit Analysis, the NDC Study and the public hearing materials with respect to the Project.
- (b) The Project will include a capital investment by the Company estimated to be between \$26,000,000 and \$34,900,000 with respect to the Facility.
- (c) The Project will not have significant long term impact on local labor in the Town but will result in approximately 20 full-time and 10 part-time construction jobs during the construction of the Facility.

- (d) The Town is in need of Affordable Housing units and the Facility will set aside ten (10) new Affordable Housing units for individuals earning less than 80% of area median income.
- (e) The Project is in alignment with local planning and development efforts.
- (f) The Project has local officials support.
- (g) The Project promotes transit oriented development.
- (h) The Project is to be constructed on a parcel of real property currently vacant and as a result of the acquisition and construction of the Facility the Town and the local school district will receive payments in lieu of taxes which over time will significantly exceed current real estate taxes paid with respect to the Project Sites.
- (i) The NDC Study provides that there is not a case of undue enrichment as a result of the financial assistance proposed to be provided by the Agency and without the proposed financial assistance, the Project would not be financially feasible as the returns for the developer would be prohibitively low. In addition, the NDC Study provides that with taxes at full assessment, the net income stream of the Project is insufficient to attract the necessary debt and equity to development costs.

Section 2. Based on the evaluation of the foregoing evaluation criteria, (a) the Agency hereby finds and determines that (i) the Project constitutes a “Project” within the meaning of the Act; and (ii) the granting of mortgage recording tax abatements, real property tax abatements and sales and use tax abatements (collectively the “Financial Assistance”) by the Agency with respect to the Project and the Facility pursuant to the Act, will promote job opportunities, health, general prosperity and the economic welfare of the inhabitants of the Town and the State of New York and improve their standard of living, and thereby serve the public purposes of the Act.

(b) It is desirable and in the public interest for the Agency to grant the Financial Assistance to the Company with respect to the Project and the Facility.

(c) The Agency shall grant Financial Assistance to the Company in the form of New York State and local Sales and Use Tax abatements in a maximum amount not to exceed \$431,250 as provided in Section 5.2 of the Lease Agreement and in the event of the occurrence of a recapture event under the Lease Agreement the Agency will pursue recapture of the Financial Assistance as provided in Section 5.4 of the Lease Agreement.

Section 3. To accomplish the purposes of the Act, the Agency shall take legal fee or leasehold title to the Project Site pursuant to the Company Lease, assist the Company to undertake the Project and lease the Facility and sublease the Project Site to the Company pursuant to the Lease Agreement.

Section 4. Pursuant to the Lease Agreement, the Company will make certain payments in lieu of real property taxes substantially as described in the Project Application with respect to the Facility.

Section 5. In order to provide the Company with Financial Assistance with respect to exemption from New York State and local Sales and Use Taxes with respect to the financing or refinancing of the Project and the Facility, the Agency may issue one or more Sales Tax Agent Authorization Letters ("Sales Tax Authorization Letters") which shall be used pursuant to the terms contained therein and in the Lease Agreement.

Section 6. In order to secure amounts to be loaned by a mortgage lender acceptable to the Chief Executive Officer ("CEO") or the Chief Financial Officer ("CFO") of the Agency to the Company with respect to the Project, the Agency hereby authorizes the execution of one or more mortgages (collectively, the "Mortgages") granted at the initial closing of the "straight lease" transaction or any time thereafter during the term of the Lease Agreement, from the Agency and the Company to any mortgage lender acceptable to the CEO or the CFO of the Agency or any other authorized representative, in form acceptable to the CEO or CFO of the Agency or any other authorized representative and counsel to the Agency.

Section 7. The form and substance of the Lease Agreement in substantially the form previously approved by the Agency for other "straight lease" transactions is hereby approved.

Section 8. The form and substance of the Company Lease in substantially the form previously executed for other "straight lease" transactions is hereby approved.

Section 9. The CEO of the Agency or any successor CEO of the Agency or any other authorized representative including the CFO, is hereby authorized, on behalf of the Agency, to execute and deliver final forms of the Company Lease, Lease Agreement, Mortgages, Sales Tax Agent Authorization Letters, and any other agreements or certificates consistent herewith (hereinafter collectively called the "Agency Documents"), all in substantially the forms previously executed by the Agency for other "straight lease" transactions acceptable to Agency counsel, with such changes, variations, omissions and insertions in the Agency Documents as the CEO or the CFO of the Agency or any other authorized representative of the Agency shall upon advice of counsel approve. The execution thereof by the CEO or the CFO of the Agency or any other authorized representative shall constitute conclusive evidence of such approval.

The CEO or CFO of the Agency or any other authorized representative are further hereby authorized, on behalf of the Agency, to designate any additional authorized representatives including the Chairman, the Secretary or Assistant Secretary of the Agency, to execute any Agency Documents or certificates of the Agency authorized pursuant to this resolution and determine the terms of the Agency Documents.

The Secretary, Assistant Secretary or counsel to the Agency is hereby authorized to attest to the CEO's, the CFO's or any other authorized representative's signature on

the foregoing documents and to impress or affix the seal or facsimile seal of the Agency thereto.

Section 10. The CEO of the Agency, the CFO of the Agency or any other authorized representative including the Chairman or the Secretary and any member of the Agency (as used in this resolution, the “Authorized Representatives”) are hereby designated the authorized representatives of the Agency and each of them is hereby authorized and directed to cause the transactions as described in the Company Lease and the Lease Agreement to be undertaken and in relation thereto, to execute and deliver any and all papers, instruments, agreements, opinions, certificates, affidavits and other documents, and to do and cause to be done any and all acts and things necessary or proper for carrying out this resolution, and the Agency Documents including such changes or revisions in the forms of such documents as may be requested by counsel to the Agency.

Except as otherwise provided in this resolution, all rights, powers and privileges conferred and duties and liabilities imposed upon the Agency or the members thereof by the provisions of this resolution, and the Agency Documents shall be exercised or performed by the Agency or by such members, officers, board or body as may be required by law to exercise such powers and to perform such duties.

Section 13. No covenant, stipulation, obligation or agreement contained in this resolution, or the Agency Documents shall be deemed to be a covenant, stipulation, obligation or agreement of any member, officer, agent or employee of the Agency or the Town in his or their individual capacity and neither the members of the Agency nor any officer shall be liable personally on the Agency Documents or be subject to any personal liability or accountability by reason of the execution thereof.
