ARTICLE I DEFINITIONS

All capitalized terms used in this Lease Agreement and not otherwise defined herein shall have the meanings assigned thereto in the Schedule of Definitions attached hereto as Schedule A.

ARTICLE II REPRESENTATIONS AND COVENANTS

Section 2.1 Representations and Covenants of Agency. The Agency makes the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) The Agency is duly established and validly existing under the provisions of the Act and has full legal right, power and authority to execute, deliver and perform each of the Agency Documents and the other documents contemplated thereby. Each of the Agency Documents and

the other documents contemplated thereby has been duly authorized, executed and delivered by the Agency.

(b) The Agency will acquire a leasehold interest in the Land and Improvements existing on the date hereof, cause the Project Work to be undertaken by the Company in accordance with the provisions hereof and will lease the Facility to the Company pursuant to this Lease Agreement, all for the Public Purposes of the State.

(c) Neither the execution and delivery of any of the Agency Documents and the other documents contemplated thereby or the consummation of the transactions contemplated thereby nor the fulfillment of or compliance with the provisions of any of the Agency Documents and the other documents contemplated thereby will conflict with or result in a breach of or constitute a default under any of the terms, conditions or provisions of the Act, any other law or ordinance of the State or any political subdivision thereof, the Agency's Certificate of Establishment or By-Laws, as amended, or any corporate restriction or any agreement or instrument to which the Agency is a party or by which it is bound, or result in the creation or imposition of any Lien of any nature upon any of the Property of the Agency under the terms of the Act or any such law, ordinance, Certificate of Establishment, By-Laws, restriction, agreement or instrument, except for Permitted Encumbrances.

(d) Each of the Agency Documents and the other documents contemplated thereby constitutes a legal, valid and binding obligation of the Agency enforceable against the Agency in accordance with its terms.

(e) The Agency has been induced to enter into this Lease Agreement by the commitment of the Company to undertake the Project Work and utilize the Facility in the Town of Babylon, New York in furtherance of the Public Purposes of the Agency.

(f) The Agency will execute, acknowledge (if appropriate) and deliver from time to time such instruments and documents which are necessary or desirable to carry out the intent and purposes of this Lease Agreement.

Section 2.2 Representations and Covenants of Company. The Company makes the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) The Company is a limited liability company, organized and existing under the laws of the State of New York, is in good standing under the laws of the State of New York, and has full legal right, power and authority to execute, deliver and perform each of the Company Documents and the other documents contemplated thereby. Each of the Company Documents and the other documents contemplated thereby has been duly authorized, executed and delivered by the Company.

(b) Neither the execution and delivery of any of the Company Documents and the other documents contemplated thereby or the consummation of the transactions contemplated thereby nor the fulfillment of or compliance with the provisions of any of the Company Documents and the other documents contemplated thereby will conflict with or result in a breach of or constitute a default under any of the terms, conditions or provisions of any law or ordinance of the State or

any political subdivision thereof, the Company's Organizational Documents, as amended, or any restriction or any agreement or instrument to which the Company is a party or by which it is bound, or result in the creation or imposition of any Lien of any nature upon any of the Property of the Company under the terms of any such law, ordinance, Organizational Documents, as amended, restriction, agreement or instrument, except for Permitted Encumbrances.

(c) The Facility, the Project Work and the design, and operation of the Facility will conform to all applicable zoning, planning, building and Environmental Laws, ordinances, rules and regulations of governmental authorities having jurisdiction over the Facility. Under penalty of perjury, the Company certifies that it is in substantial compliance with all local, state, and federal tax, worker protection and environmental laws, rules and regulations.

(d) Each of the Company Documents and the other documents contemplated thereby constitutes a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms.

(e) The Facility is and will continue to be a "project" as such quoted term is defined in the Act. The Company will not take any action, or fail to take any action, which action or failure to act would cause the Facility not to constitute a "project" as such quoted term is defined in the Act.

(f) The transactions contemplated by this Lease Agreement shall not result in the removal of any facility or plant of any Facility occupant(s) from one area of the State to another area of the State or in the abandonment of one or more facilities or plants of the Facility occupant(s) located within the State except as permitted by the Act.

(g) The Company agrees to take any actions reasonably deemed necessary by the Agency, or its Chairman, Vice Chairman, Executive Director, or any member or officer of the Agency, counsel to the Agency or Transaction Counsel, in order to ensure compliance with Sections 2.2(e) and (f) above, this Section 2.2 (g) and Section 9.3 of this Lease Agreement provided that the Company receives duly acknowledged written confirmation from the Agency setting forth the reason(s) for said action(s). Without limiting the generality of the foregoing, but subject to any limits under applicable law, the Company will provide the Agency with any and all information and materials describing proposed Facility occupants as necessary.

(h) The Company will cause future tenants (other than Permitted Tenants (as defined below)) of the Facility, if any, to execute and deliver to the Agency a tenant agency compliance agreement substantially in the form attached hereto as Exhibit X, prior to the occupancy of the Facility by such tenant, in accordance with the provisions of Section 9.3 hereof.

(i) The Company hereby represents to the Agency that facilities and property that are primarily used in making retail sales of goods and services to customers who personally visit the Facility will not constitute more than one-third (1/3) of the total costs of the Facility, except in accordance with New York General Municipal Law (the "GML") Section 862.

(j) There is no action or proceeding pending or, to the best of the Company's knowledge, after diligent inquiry, threatened, by or against the Company by or before any court or

administrative agency that would adversely affect the ability of the Company to perform its obligations under this Lease Agreement or any other Company Document.

(k) The Company has obtained all authorizations, consents and approvals of governmental bodies or agencies required to be obtained by it as of the Closing Date in connection with the execution and delivery of this Lease Agreement and each other Company Document or in connection with the performance of its obligations hereunder and under each Company Document.

(l) The Project Application Information was true, correct and complete as of the date submitted to the Agency, and no event has occurred or failed to occur since such date of submission which could cause any of the Project Application Information to include any untrue statement of a material fact or omit to state any material fact required to be stated therein to make such statement not misleading.

(m) The Company is not a Prohibited Person.

(n) The Company covenants to use and maintain the Facility as an Affordable Housing Project for the term of this Lease Agreement. The Company shall enter into a contract with a local housing group approved by the Agency (which approval shall not be unreasonably withheld, delayed or conditioned) to administer the affordability of the rental units at the Facility, and to monitor the rental of all units for compliance with the requirements of an Affordable Housing Project. The Company shall be responsible for all costs associated with such contract and ongoing monitoring relating thereto.

ARTICLE III CONVEYANCE OF FACILITY SITE; PROJECT WORK AND COMPLETION

Section 3.1 Agreement to Convey to Agency. The Company has conveyed or has caused to be conveyed to the Agency (i) a leasehold interest in the Land and Improvements existing thereon on the date hereof, and (ii) lien-free title to the Facility Equipment, and will convey or cause to be conveyed to the Agency for further lease to the Company lien-free title to or a leasehold interest in the Facility Equipment and any improvements to the Land and Improvements acquired after the date hereof, in each case except for Permitted Encumbrances.

Section 3.2 Title Report and Survey. The Company has obtained and delivered to the Agency (i) a title report (in form and substance acceptable to the Agency) reflecting all matters of record with respect to the Land and existing Improvements, including municipal searches and (ii) a current or updated survey of each of the Land and the existing Improvements certified to the Agency.

Section 3.3 Public Authorities Law Representations. The parties hereto hereby acknowledge and agree that the Facility and the interest therein to be conveyed by this Lease Agreement are not "Property" as defined in Article 9, Title 5-A of the Public Authorities Law of the State because the Facility and the leasehold interests therein are securing the financial obligations of the Company. The Facility and the leasehold interests therein secure the obligations of the Company to the Agency under this Lease Agreement, including the Company's obligation

to acquire and maintain the Facility and complete the Project Work on behalf of the Agency and the Company's obligation to indemnify and hold harmless the Agency.

Section 3.4 Project Work.

(a) The Company agrees that, on behalf of the Agency, the Company will complete the Project Work in accordance with the Plans and Specifications and Project Budget.

(b) The Company may revise the Plans and Specifications and Project Budget from time to time without the consent or approval of the Agency; provided that the Facility shall retain its overall configuration and intended purposes and shall remain a "project" as defined in the Act and provided further that the Company shall notify the Agency of any reduction in the Project Budget relating to the acquisition, construction, renovation or equipping of the Facility by more than 25% in the aggregate.

(c) Except as set forth in Section 6.2 hereof, fee or leasehold title, as applicable, to all materials, equipment, machinery and other items of Property incorporated or installed in or placed in, upon, or under the Facility shall vest in the Agency immediately upon the Company's obtaining an interest in or to the materials, equipment, machinery and other items of Property. The Company shall execute, deliver and record or file all instruments necessary or appropriate so as to vest such title in the Agency and shall take all action necessary or appropriate to protect such title against claims of any third Persons.

(d) Subject to the provisions of this Lease Agreement, the Agency shall enter into, and accept the assignment of, such contracts as the Company may reasonably request to the extent necessary to effectuate the purposes of this Section 3.4.

(e) The Company, as agent for the Agency, shall comply in all material respects with all provisions of the Labor Law, the Executive Law and the Civil Rights Law of the State applicable to the completion of the Project Work and shall include in all construction contracts all provisions which may be required to be inserted therein by such provisions.

Section 3.5 Identification of Facility Equipment. All Facility Equipment which is or may become the Property of the Agency pursuant to the provisions of this Lease Agreement shall be properly identified by the Company by such appropriate records, including computerized records, as may be approved by the Agency. All Property of whatever nature affixed or attached to the Land or used or to be used by the Company in connection with the Land or the Improvements shall be deemed presumptively to be owned by the Agency, rather than the Company, unless the same was installed by the Company and title thereto was retained by the Company as provided in Section 6.2 of this Lease Agreement and such Property was properly identified by such appropriate records as were approved by the Agency.

Section 3.6 Certificates of Completion. To establish the Completion Date, the Company shall deliver to the Agency (i) a certificate signed by an Authorized Representative of the Company stating (a) that the Project Work has been completed in accordance with the Plans and Specifications and Project Budget therefor, and (b) that payment for all labor, services, materials and supplies used in such Project Work has been made or provided for; and (ii) such other certificates as may be reasonably required by the Agency and in form and substance

satisfactory to the Agency, including without limitation, a Certificate of Occupancy. The Company agrees to complete the Project Work and deliver a Certificate of Occupancy with respect to the Facility by no later than October 24, 2021 (the “**Required Completion Date**”).

The Company, in its own name or in the name of the Agency, may prosecute or defend any action or proceeding or take any other action involving any such contractor, subcontractor, materialman, surety or other Person which the Company deems reasonably necessary, and in such event the Agency, at the Company’s sole cost and expense, hereby agrees to cooperate fully with the Company and to take all action necessary to effect the substitution of the Company for the Agency in any such action or proceeding. The Net Proceeds of any recovery from a contractor or subcontractor or materialman or other person shall be paid to the Company.

Section 3.8 Construction Signage. During the Construction Period, if any, the Agency shall have the right to erect on the Facility site, subject to the approval of the location by the Company, at the Agency’s own cost and expense, an appropriate sign stating that economic benefits in connection with the Facility has been provided through the Agency. Section 4.2 Duration of Lease Term; Quiet Enjoyment.

(a) The Agency shall deliver to the Company sole and exclusive possession of the Facility (subject to Sections 8.1, 9.3 and 10.2 hereof), and the sub-leasehold estate created hereby shall commence, and the Company shall accept possession of the Facility, on the Closing Date.

(b) Except as provided in Sections 10.2 and 11.1 hereof, the term of the estate created hereby (the “**Lease Term**”) shall terminate at 11:59 p.m. on the Abatement Termination Date (as defined in Exhibit C).

(c) Except as provided in Section 10.2 hereof, the Agency shall neither take nor suffer or permit any action to prevent the Company during the Lease Term from having quiet and peaceable possession and enjoyment of the Facility and will, at the request of the Company and at

the Company's sole cost and expense, cooperate with the Company in order that the Company may have quiet and peaceable possession and enjoyment of the Facility as hereinabove provided.

Section 4.3 Rents and Other Amounts Payable.

(a) The Company shall pay to the Agency on the Closing Date the balance of the Agency's fees in the amount of \$172,676.50 (equal to the administrative fee of \$169,088.00 plus the feasibility study of \$3,000 and the public hearing notice and transcript cost of \$588.50). The Company shall pay basic rent for the Facility as follows: One Dollar (\$1.00) on the Closing Date.

(b) In addition to the payments of basic rent pursuant to Section 4.3(a) hereof, the Company shall pay to the Agency PILOT Payments in the amount as described in Section 5.1 hereof.

(c) In addition to the payments of basic rent and PILOT Payments pursuant to Sections 4.3 (a) and (b) hereof, throughout the Lease Term, the Company shall pay to the Agency as additional rent, within ten (10) days of receipt of demand therefor, an amount equal to the sum of the expenses of the Agency and the members thereof incurred (i) by reason of the Agency's ownership, leasing, subleasing, or financing of the Facility, or (ii) in connection with the carrying out of the Agency's duties and obligations under the Agency Documents, the payment of which is not otherwise provided for under this Lease Agreement.

(d) The Company, under the provisions of this Section 4.3, agrees to make the above-mentioned payments in immediately available funds and without any further notice in lawful money of the United States of America. In the event the Company shall fail to timely make any payment required in Section 4.3(a) or 4.3(c), the Company shall pay the same together with interest on such payment at a rate equal to two percent (2%) plus the Prime Rate, but in no event at a rate higher than the maximum lawful prevailing rate, from the date on which such payment was due until the date on which such payment is made.

Section 4.4 Obligations of Company Hereunder Unconditional. The obligations of the Company to make the payments required in Section 4.3 hereof, and to perform and observe any and all of the other covenants and agreements on its part contained herein, shall be general obligations of the Company, and shall be absolute and unconditional irrespective of any defense or any rights of setoff, recoupment or counterclaim it may otherwise have against the Agency. The Company agrees it will not (i) suspend, discontinue or abate any payment required hereunder, or (ii) fail to observe any of its other covenants or agreements in this Lease Agreement.

Section 4.5 No Warranty of Condition or Suitability by Agency. THE AGENCY HAS MADE AND MAKES NO REPRESENTATION OR WARRANTY WHATSOEVER, EITHER EXPRESS OR IMPLIED, WITH RESPECT TO THE MERCHANTABILITY, CONDITION, FITNESS, DESIGN, OPERATION OR WORKMANSHIP OF ANY PART OF THE FACILITY, ITS FITNESS FOR ANY PARTICULAR PURPOSE, THE QUALITY OR CAPACITY OF THE MATERIALS IN THE FACILITY, OR THE SUITABILITY OF THE FACILITY FOR THE PURPOSES OR NEEDS OF THE COMPANY OR THE EXTENT TO WHICH FUNDS AVAILABLE TO THE COMPANY WILL BE SUFFICIENT TO PAY THE COST OF COMPLETION OF THE PROJECT WORK. ARTICLE V
PILOT PAYMENTS; SALES TAX EXEMPTION; MORTGAGE RECORDING TAX
EXEMPTION AND RECAPTURE OF BENEFITS

Section 5.1 PILOT Payments.

(a) *Payments Prior to Abatement Commencement Date:*

The Abatement Commencement Date shall be as defined in Exhibit C hereof. Until the Abatement Commencement Date, or such later date as the Facility Realty is determined to be exempt from real estate taxes, the Company shall pay to the Town or the Agency as the case may be the "Stabilized Base Assessed Value" which equals \$15,230, which is the assessed value of the Facility Realty as of October 24, 2019, multiplied by then applicable current tax rate of the Town then in effect for such Tax Year (in addition to any special ad valorem levies, special assessments and service charges against real property located in the Town of Babylon, (including any existing incorporated village or any village which may be or may have been incorporated after the date hereof, within which the Project is wholly or partially located) which are or may be imposed for special improvements or special district improvements, which the Company would pay without exemption).

(b) *Payments in Lieu of Real Estate Taxes, Generally:*

It is recognized that under the provisions of the Act the Agency is generally required to pay no real estate taxes upon any of the property acquired by it or under its jurisdiction or control or supervision or upon its activities. The Agency and the Company agree, however, that the Company shall be required to make payments in lieu of real estate taxes with respect to the Facility Realty, payable to the Agency, in the manner and at the time provided in this Section 5.1 or at such other times as the Agency may designate in writing.

The Agency makes no representation as to the availability of an exemption from real estate taxes for the Facility Realty if the Town Collector of Taxes, the Assessors' Office of the Town, the Town Surveyor, or any other relevant official of the Town fails to recognize the Agency's exemption from real estate taxes on the basis of a discrepancy existing between the description of

the Facility Realty and the tax map of the Town or the existence of another impediment to implementation of the Agency's exemption contemplated hereunder.

(c) *Payments in Lieu of Taxes on the Land and the Buildings:*

For the period commencing on the Abatement Commencement Date until the earlier of (i) the Abatement Termination Date or (ii) the date on which the Agency no longer has a leasehold interest in the Facility Realty, the Company shall make PILOT Payments (as defined in Exhibit C) in accordance with the schedule set forth in Exhibit C hereto.

(d) The Company shall pay, or cause to be paid, the amounts set forth in Exhibit C hereto within 40 days after receipt of each bill therefor from the Agency. Failure to receive a bill shall not relieve the Company, of its obligation to make all payments provided for hereunder, but no penalties or interest shall accrue for any bills not received by the Company. Payments shall be made directly to the Agency. Payments made after the due date(s) as set forth in the applicable bills shall accrue interest (and penalties) at the rates applicable to late payments of taxes for the respective Taxing Jurisdictions.

(e) The Agency may file a lien on the Facility Realty in order to secure amounts due the Agency hereunder or, at its election, may at any time require that the Company grant such lien to the Agency as a condition to any lease of the Facility to the Company pursuant to the terms hereof. A Memorandum of this Lease Agreement may be filed in the real property records of the County of Suffolk pertaining to the Project at the expense of the Company.

(f) As long as provisions of this Section 5.1 are in effect, the Agency and the Company agree that (i) the Company shall be deemed to be the owner of the Facility Realty for the purpose of instituting, and shall have the right to institute, administrative or judicial review of any assessment of the real estate with respect to the Facility Realty pursuant to the provisions of Article 5 and 7 of the Real Property Tax Law or any other applicable law as the same may be amended from time to time; and (ii) the Company shall have full authority to file grievances and protests, protesting any present or future assessment on the Facility Realty; and (iii) the Company shall accept as valid any and all final assessments placed on the Facility Realty by the Assessor of the Town of Babylon after the final determination of any grievance, protest, or judicial review contemplated under subparagraph (ii) above. The Agency as leasehold owner of the Facility Realty will reasonably cooperate with the Company in the filing of any grievance or protest of any present or future assessment permitted hereunder. The Agency shall provide or cause to be provided to the Company, in the same manner and at the same time as if the Company were a taxpayer (or within fifteen calendar days thereof), notice of any proposed change in assessment of the Facility Realty. Notwithstanding the foregoing, in the event that the assessment of the real estate with respect to the Facility Realty, including any additions thereto, is reduced as a result of any such grievance, protest or judicial review so that the Company would be entitled to receive a refund or refunds of taxes paid to the respective Taxing Jurisdictions as if the Agency did not have a leasehold interest in the Facility Realty, the Company shall not be entitled to receive a refund or refunds of the payments in lieu of taxes paid pursuant to this Lease Agreement. In such event, the Company's sole relief and remedy shall be the receipt of a credit against prospective payments in lieu of taxes to be paid to the Agency pursuant to this Lease Agreement measured from the date the credit is granted in the amount, within the below described limits, equal to the refund or refunds

of taxes paid to the respective Taxing Jurisdictions prior to the date of this Lease Agreement that the Company would be entitled to receive if the Agency did not have a leasehold interest in the Facility Realty and any additions thereto. Provided however, that (i) such credit shall be available and payable only to the Company only during the Company's operation of the Facility Realty under this Lease Agreement and (ii) the amount of such credit shall not exceed aggregate payments in lieu of taxes to be paid under this Lease Agreement measured from the date of the settlement of such grievance or protest or the date the judgment respecting such credit is entered. In no event shall the Company have any claim against funds of the Agency with respect to credits provided for in this paragraph (g).

(g) Subject to the provision of paragraph (f) hereof, the Company shall have all of the rights and remedies of a taxpayer as if and to the same extent as if the Agency did not have a leasehold interest in the Facility Realty with respect to any proposed assessment or change in assessment with respect to the Facility Realty by any of the Taxing Jurisdictions and likewise shall be entitled to protest before and be heard by the appropriate assessors, and shall be entitled to take any and all appropriate appeals or initiate any proceedings to review the validity or amount of any assessment or the validity or amount of any tax equivalent provided for herein, provided, however, that the Company agrees that any action taken by the Company or an Affiliate thereof to reduce the assessed value of the Facility Realty below the Stabilized Base Assessed Value extant on the date hereof shall constitute a default hereunder and give rise to the remedies provided in Section 10.2 hereof.

(h) To the extent the Facility Realty is declared to be subject to real property taxation or assessment by a final judgment of a court of competent jurisdiction, or pursuant to an amendment to the Act, or other legislative change or otherwise, the obligations of the Company to make payments in lieu of real estate taxes under this Section 5.1 shall, to such extent, be null and void.

To the extent permitted by law, any payments previously made shall be credited against any taxes then due and payable and nothing herein contained shall prohibit the Company from contesting the validity or constitutionality of any such amendment, legislative change or judicial decision.

(i) If, in accordance with the Act, the Company enters into any written agreement with any Taxing Jurisdiction providing for payments in lieu of taxes by the Company to any or all of them, so much of this Section 5.1 as it relates to the Taxing Jurisdiction with which the Company has entered into said written agreement shall be automatically modified to reflect the terms of any such written agreement, and any such written agreement shall be deemed to be incorporated into this Section 5.1 by reference and made a part hereof as an amendment or modification hereof. Should the Company receive any real property tax exemption from any of the Taxing Jurisdictions, this Section 5.1 shall automatically be modified to reflect the extent of such exemption.

(j) *Subsequent Alterations and Improvements:*

If, at any time after completion of the Project Work, the Company shall make any alterations of or additions to the Facility Realty, the aggregate value of which in each instance shall equal or exceed \$150,000 (the "**Additional Improvements**"), the Company shall deliver written

notice to an Authorized Representative of the Agency of same within thirty (30) days after the completion thereof. The Agency shall thereupon request that the Improvements constituting a part of the Facility Realty (including any such Additional Improvements) be reassessed by the appropriate officer or officers of the Town and the Company shall make additional payments in lieu of taxes equal to:

(1) the amount of increase in assessed valuation of the Facility Realty resulting from the Additional Improvements when the Additional Improvements are first assessed as completed, as above provided, multiplied by

(2) the Town's real property tax rate prevailing after such first assessment and thereafter.

(k) *Withdrawal of Real Estate Tax Abatements:*

Commencing as of the date on which the Facility is not used in accordance with the Act and this Lease Agreement or upon the occurrence of an Event of Default under this Lease Agreement, the Company shall be required to make payments in lieu of real estate taxes on the Facility Realty in such amounts as would result from taxes levied on the Facility Realty as if the Agency did not have a leasehold interest in the Facility Realty. For purposes of the determination of such payments in lieu of real estate taxes, the tax rate shall be the rate then in effect as shown on the records of the proper Town department.

(l) *Survival of Obligations:*

The obligations of the Company under this Section 5.1 shall survive the termination or expiration of this Lease Agreement for any reason whatsoever. The Agency, in its sole discretion and in furtherance of the purposes of the Act, may waive, in whole or in part, payments in lieu of taxes set forth in this Section 5.1, for good cause shown.

(m) *Taxes Assessments and Charges:*

The Company shall pay when the same shall become due all taxes (other than those taxes for which payments in lieu thereof are being paid pursuant to this Section 5.1 hereof) and assessments, general and specific, if any, levied and assessed upon or against the Facility, this Lease Agreement or any estate or interest of the Agency or the Company in the Facility during the term of this Lease Agreement, and all water and sewer charges, special district charges, assessments and other governmental charges and impositions whatsoever, foreseen or unforeseen, ordinary or extraordinary, under any present or future law, and charges for public or private utilities or other charges incurred in the occupancy, use, operation, maintenance or upkeep of the Facility, all of which are herein called "**Impositions.**" The Agency shall promptly forward to the Company any notice, bill or other statement received by the Agency concerning any Imposition. The Company may pay any Imposition in installments if so payable by law, whether or not interest accrues on the unpaid balance.

In the event the Facility is exempt from Impositions (other than taxes in respect of which amounts are payable under this Section 5.1) solely due to the Agency's leasehold interest in the Facility, the Company shall pay all Impositions to the appropriate taxing authorities equivalent to

the Impositions which would have been imposed on the Facility if the Agency did not have a leasehold interest in the Facility.

(n) *485-b Waiver:*

The Company, in recognition of the benefits provided under the terms hereof, including, but not limited to, the Real Property Tax Abatements provided hereunder, and for as long as the Lease Agreement is in effect, expressly waives any rights it may have for any exemption under Section 485-b of the Real Property Tax Law or any other exemption under any other law or regulation (except, however, for the exemption provided by Title 1 of Article 18-A of the GML) with respect to the Facility Realty.

Section 5.2 Sales Tax Exemption.

(a) The Agency hereby appoints the Company its true and lawful agent, and the Company hereby accepts such agency to (i) complete the Project Work in accordance with the Plans and Specifications, (ii) make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other Persons, and in general to do all things which may be requisite or proper for the Project Work, with the same powers and with the same validity as the Agency could do if acting on its own behalf, (iii) pay all fees, costs and expenses incurred in connection with the Project Work, (iv) ask, demand, sue for, levy, recover and receive all such sums of money, debts, dues and other demands whatsoever which may be due, owing and payable to the Agency under the terms of any contract, order, receipt or writing in connection with the Project Work, and (v) enforce the provisions of any contract, agreement, obligation, bond or other performance security. This agency appointment expressly excludes the Company from purchasing any motor vehicle, including any cars, trucks, vans or buses which are licensed by the Department of Motor Vehicles for use on public highways or streets.

(b) Agency's Exempt Status. The Agency constitutes a corporate governmental agency and a public benefit corporation under the laws of the State of New York, and therefore, in the exercise of its governmental functions, is exempt from the imposition of Sales and Use Taxes. As an exempt governmental entity, no exempt organization identification number has been issued to the Agency nor is one required. Notwithstanding the foregoing, the Agency makes no representation to the Company, any Agent or any third party that any Sales Tax Exemption is available under this Lease Agreement.

(c) Scope of Authorization of Sales Tax Exemption. The Agency hereby authorizes the Company, subject to the terms and conditions of this Lease Agreement, to act as its agent in connection with the Facility for the purpose of effecting purchases and leases of Eligible Items so that such purchases and leases are exempt from the imposition of Sales and Use Taxes. The Agency's authorization with respect to such Sales Tax Exemption provided to the Company and its Agents pursuant to this Lease Agreement and any Sales Tax Agent Authorization Letters issued hereunder shall be subject to the following limitations:

(i) The Sales Tax Exemption shall be effective only for a term commencing on the Closing Date and expiring upon the earliest of (A) August __, 2021, (B) the termination of this Lease Agreement, (C) the Completion Date, (D) failure of the Company to file Form

ST-340, as described in Section 5.2(g) below, (E) the termination of the Sales Tax Exemption authorization pursuant to Section 10.2 or (F) the date upon which the Company received the Maximum Company Sales Tax Savings Amount.

(ii) The Sales Tax Exemption authorization set forth herein shall automatically be suspended upon written notice to the Company that the Company is in default under this Lease Agreement until such default is cured to the satisfaction of the Agency.

(iii) The Sales Tax Exemption authorization shall be subject to all of the terms, conditions and provisions of this Lease Agreement.

(iv) The Sales Tax Exemption shall only be utilized for Eligible Items which shall be purchased, incorporated, completed or installed for use only by the Company at the Facility (and not with any intention to sell, transfer or otherwise dispose of any such Eligible Item to a Person as shall not constitute the Company), it being the intention of the Agency and the Company that the Sales Tax Exemption shall not be made available with respect to any Eligible Item unless such item is used solely by the Company at the Facility.

(v) The Sales Tax Exemption shall not be used for any Ineligible Item.

(vi) The Sales Tax Exemption shall not be used to benefit any person or entity, including any tenant or subtenant located at the Facility, other than the Company, without the prior written consent of the Agency.

(vii) By execution by the Company of this Lease Agreement, the Company agrees to accept the terms hereof and represents and warrants to the Agency that the use of the Sales Tax Exemption by the Company or by any Agent is strictly for the purposes stated herein.

(viii) Upon the Termination Date, the Company and each Agent shall cease being agents of the Agency, and the Company shall immediately notify each Agent in writing of such termination and that the Sales Tax Agent Authorization Letter issued to any such Agent is likewise terminated.

(ix) The Company agrees that the aggregate amount of Company Sales Tax Savings realized by the Company and by all Agents of the Company, if any, in connection with the Facility shall not exceed in the aggregate the Maximum Company Sales Tax Savings Amount.

(d) Procedures for Appointing Agents. If the Company desires to seek the appointment of a contractor, a subcontractor or other party to act as the Agency's agent (an "**Agent**") for the purpose of effecting purchases which are eligible for the Sales Tax Exemption pursuant to authority of this Lease Agreement, it must complete the following steps:

(i) For each Agent, the Company must complete and submit Form ST-60 to the Agency. The foregoing is required pursuant to the GML Section 874(9) and Form ST-60 and the regulations relating thereto which require that within thirty (30) days of the date that the Agency appoints a project operator or

other person or entity to act as agent of the Agency for purposes of extending a sales or use tax exemption to such person or entity, the Agency must file a completed Form ST-60 with respect to such person or entity.

- (ii) Following receipt by the Agency of the completed Form ST-60, such Agent must be appointed as Agent by the Agency, by execution by the Agency and the Agent of a Sales Tax Agent Authorization Letter in the form attached hereto as Exhibit D. The determination whether to approve the appointment of an Agent shall be made by the Agency, in its sole discretion. If executed, a completed copy of the Sales Tax Agent Authorization Letter shall be sent to the Company. The Company must also provide a copy of an executed Sales Tax Agent Authorization Letter together with a copy of this Lease Agreement to the Agent within five (5) Business Days after receipt thereof by the Company.
- (iii) The Company shall ensure that each Agent shall observe and comply with the terms and conditions of its Sales Tax Agent Authorization Letter and this Lease Agreement.

(e) Form ST-60 Not an Exemption Certificate. The Company acknowledges that the executed Form ST-60 designating the Company or any Agent as an agent of the Agency shall not serve as a sales or use tax exemption certificate or document. Neither the Company nor any other Agent may tender a copy of the executed Form ST-60 to any person required to collect sales tax as a basis to make such purchases exempt from tax. No such person required to collect sales or use taxes may accept the executed Form ST-60 in lieu of collecting any tax required to be collected. THE CIVIL AND CRIMINAL PENALTIES FOR MISUSE OF A COPY OF FORM ST-60 AS AN EXEMPTION CERTIFICATE OR DOCUMENT OR FOR FAILURE TO PAY OR COLLECT TAX SHALL BE AS PROVIDED IN THE TAX LAW. IN ADDITION, THE USE BY AN AGENT, THE COMPANY, OR OTHER PERSON OR ENTITY OF SUCH FORM ST-60 AS AN EXEMPTION CERTIFICATE OR DOCUMENT SHALL BE DEEMED TO BE, UNDER ARTICLES TWENTY EIGHT AND THIRTY SEVEN OF THE TAX LAW, THE ISSUANCE OF A FALSE OR FRAUDULENT EXEMPTION CERTIFICATE OR DOCUMENT WITH THE INTENT TO EVADE TAX.

(f) Form ST-123 Requirement. As an agent of the Agency, the Company agrees that it will, and will cause each Agent to, present to each seller or vendor a completed and signed Form ST-123 for each contract, agreement, invoice, bill or purchase order entered into by the Company or by any Agent, as agent for the Agency, for the Project Work. Form ST-123 requires that each seller or vendor accepting Form ST-123 identify the Facility on each bill or invoice for purchases and indicate on the bill or invoice that the Agency or Agent or Company, as project operator of the Agency, was the purchaser. The Company shall retain copies of all such contracts, agreements, invoices, bills and purchase orders for a period of not less than six (6) years from the date thereof. For each Agent the Form ST-123 shall be completed as follows: (i) the "Project information" section of Form ST-123 should be completed using the name and address of the Facility as indicated on the Form ST-60 used to appoint the Agent; (ii) the date that the Agent was appointed as an agent should be completed using the date of the Agent's Sales Tax Agent Authorization

Letter; and (iii) the "Exempt purchases" section of Form ST-123 should be completed by marking "X" in box "A" only.

(g) Form ST-340 Filing Requirement. The Company shall annually (currently, by each February 28th with respect to the prior calendar year) file a Form ST-340 with NYSDTF, and with a copy to the Agency, in a manner consistent with such regulations as is or may be prescribed by the Commissioner of NYSDTF (the "**Commissioner**"), of the value of all Company Sales Tax Savings claimed by the Company and each Agent in connection with the Facility. Should the Company fail to comply with the foregoing requirement, the Company and each Agent shall immediately cease to be agents of the Agency in connection with the Facility without any further action of the Agency and the Company shall immediately and without demand notify each Agent appointed by the Agency in connection with the Facility of such termination.

(h) Sales Tax Registry Filing Requirement. No later than January 31st of each year, the Company shall file with the Agency a completed Sales Tax Registry, in the form attached hereto as Exhibit E, which accounts for all Company Sales Tax Savings realized by the Company and each Agent during the prior annual period ending on the preceding December 31st (or such shorter period beginning on the Closing Date and ending on the preceding December 31st), unless the Termination Date occurred prior to such December 31st. Within ten (10) days after the Termination Date, the Company shall file with the Agency a completed Sales Tax Registry which accounts for all Company Sales Tax Savings realized by the Company and each Agent during the period from the preceding January 1st to the Termination Date.

(i) Special Provisions Relating to State Sales Tax Savings.

(i) The Company covenants and agrees to comply, and to cause each of its contractors, subcontractors, Agents, persons or entities to comply, with the requirements of GML Sections 875(1) and (3) (the "**Special Provisions**"), as such provisions may be amended from time to time. In the event of a conflict between the other provisions of this Lease Agreement and the Special Provisions, the Special Provisions shall control.

(ii) The Company acknowledges and agrees that pursuant to GML Section 875(3), the Agency shall have the right to recover, recapture, receive, or otherwise obtain from the Company, State Sales Tax Savings taken or purported to be taken by the Company, any Agent or any other person or entity acting on behalf of the Company to which the Company is not entitled or which are in excess of the Maximum Company Sales Tax Savings Amount or which are for property or services not authorized or taken in cases where the Company, any Agent or any other person or entity acting on behalf of the Company failed to comply with a material term or condition to use property or services in the manner required by this Lease Agreement. The Company shall, and shall require each Agent and any other person or entity acting on behalf of the Company, to cooperate with the Agency in its efforts to recover, recapture, receive, or otherwise obtain such State Sales Tax Savings and shall promptly pay over any such amounts to the Agency that it requests. The failure to pay over such amounts to the Agency shall

be grounds for the Commissioner to assess and determine State Sales and Use Taxes due from the Company under Article 28 of the New York State Tax Law, together with any relevant penalties and interest due on such amounts.

(j) Subject to the provisions of Section 5.2(i) above, if the Company or any Agent shall utilize the Sales Tax Exemption in violation of the provisions of this Lease Agreement or any Sales Tax Agent Authorization Letter, the Company shall promptly deliver notice of same to the Agency, and the Company shall, upon demand by the Agency, pay to or at the direction of the Agency a return of sales or use tax exemptions in an amount equal to all such unauthorized sales or use tax exemptions together with interest at the rate of two percent (2%) plus the Prime Rate per annum compounded daily from the date and with respect to the dollar amount for which each such unauthorized sales or use tax exemption was availed of by the Company or any Agent (as applicable).

(k) Upon request by the Agency with reasonable notice to the Company, the Company shall make available at reasonable times to the Agency and/or the Independent Accountant all such books, records, contracts, agreements, invoices, bills or purchase orders of the Company and any Agent, and require all appropriate officers and employees of the Company to respond to reasonable inquiries by the Agency and/or the Independent Accountant, as shall be necessary (y) to indicate in reasonable detail those costs for which the Company or any Agent shall have utilized the Sales Tax Exemption and the dates and amounts so utilized, and (z) to permit the Agency to determine any amounts owed by the Company under this Section 5.2.

Section 5.3 Mortgage Recording Tax Exemption. The Agency hereby grants to the Company exemption from mortgage recording taxes for one or more Mortgages securing an aggregate principal amount not to exceed \$11,625,000 or such greater amount as approved by the Agency in its sole and absolute discretion, in connection with the financing of the Project Work and any future financing, refinancing or permanent financing of the costs of the Project Work (the “**Mortgage Recording Tax Exemption**”). The amount of the Mortgage Recording Tax Exemption shall be subject to any limits imposed by applicable law.

Section 5.4 Recapture of Agency Benefits. It is understood and agreed by the parties hereto that the Agency is entering into this Lease Agreement in order to provide financial assistance to the Company for the Facility and to accomplish the Public Purposes of the Act. In consideration therefor, the Company hereby agrees as follows:

(a) If a Recapture Event occurs after the date hereof, the Company shall pay to the Agency, or to the State of New York, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, the following amounts:

- (i) one hundred percent (100%) of the Recaptured Benefits (as defined below) if the Recapture Event occurs within the first twenty (20) years after the date hereof;
- (ii) eighty percent (80%) of the Recaptured Benefits if the Recapture Event occurs during the twenty-first (21st) year after the date hereof;

- (iii) sixty percent (60%) of the Recaptured Benefits if the Recapture Event occurs during the twenty-second (22nd) year after the date hereof;
- (iv) forty percent (40%) of the Recaptured Benefits if the Recapture Event occurs during the twenty-fourth (24th) year after the date hereof; or
- (v) twenty percent (20%) of the Recaptured Benefits if the Recapture Event occurs during the twenty-fifth (25th) year after the date hereof.

(b) The term “**Recaptured Benefits**” shall mean all direct monetary benefits, tax exemptions and abatements and other financial assistance, if any, derived solely from the Agency’s participation in the transaction contemplated by the Lease Agreement including, but not limited to, the amount equal to 100% of:

- (i) the Mortgage Recording Tax Exemption; and
- (ii) Sales Tax Exemption savings realized by or for the benefit of the Company, including any savings realized by any Agent pursuant to the Lease Agreement and each Sales Tax Agent Authorization Letter issued in connection with the Facility (the “**Company Sales Tax Savings**”); and
- (iii) real property tax abatements granted pursuant to Section 5.1 hereof (the “**Real Property Tax Abatements**”);

which Recaptured Benefits from time to time shall upon the occurrence of a Recapture Event in accordance with the provisions of Section 5.4(c) below and the declaration of a Recapture Event by notice from the Agency to the Company be payable directly to the Agency or the State of New York if so directed by the Agency within ten (10) days after such notice.

(c) The term “**Recapture Event**” shall mean any of the following events:

- (1) sale or closure of the Facility;
- (2) a material violation of the terms and conditions of the Transaction Documents, including failure to complete the Facility in accordance with Section 3.6 hereof;
- (3) a material misrepresentation made by the Company and contained in the application for Financial Assistance, any Transaction Documents or any other materials delivered pursuant to the Transaction Documents;
- (4) the Company shall have liquidated its operations and/or assets at the Facility (absent a showing of extreme hardship);
- (5) the Company shall have ceased all or substantially all of its operations at the Facility (whether by relocation to another facility or otherwise, or whether to another facility either within or outside of the Town) through no force majeure event;

- (6) the Company shall have transferred all or substantially all of its employees within the Town to a location outside the Town through no force majeure event;
- (7) the Company shall have subleased all or any portion of the Facility in violation of the limitations imposed by the Transaction Documents, without the prior written consent of the Agency;
- (8) the Company shall have sold, leased, transferred or otherwise disposed of all or substantially all of its interest in the Facility without the prior written consent of the Agency;
- (9) the failure by the Company to complete the Project on or before the Completion Date substantially in accordance with the Plans and Specifications and the Project Budget;
- (10) the Company and/or any of its Affiliates shall have failed to maintain at the Facility the number of FTEs (as defined in Schedule A) at or above specific thresholds as described in Section 8.11 hereof, absent a showing of hardship;
- (11) the Company receives Company Sales Tax Savings in connection with the Project Work in excess of the Maximum Company Sales Tax Savings Amount; provided, however, that the foregoing shall constitute a Recapture Event with respect to such excess Company Sales Tax Savings only. It is further provided that failure to repay the excess Company Sales Tax Savings within thirty (30) days shall constitute a Recapture Event with respect to all Recaptured Benefits;
- (12) [Reserved]; and
- (13) The Company fails to use and maintain the Facility as an Affordable Housing Project for the term of this Lease Agreement.

(d) Notwithstanding the above provisions of this Section 5.4, if a Recapture Event has occurred due solely to the failure of the Company to create or cause to be maintained the number of FTEs at the Facility as provided in Section 8.11 hereof in any Tax Year but the Company has created or caused to be maintained at least 90% of such required number of FTEs for such Tax Year, then in lieu of recovering the Recaptured Benefits provided above, the Agency may, in its sole discretion, adjust the PILOT Payments due hereunder on a pro rata basis so that the amounts payable as PILOT Payments will be adjusted upward retroactively for such Tax Year by the same percentage as the percentage of FTEs that are below the required FTE level for such Tax Year. Such adjustments to the PILOT Payments may be made each Tax Year until such time as the Company has complied with the required number of FTEs pursuant to Section 8.11 hereof.

(e) Furthermore, notwithstanding the foregoing, a Recapture Event shall not be deemed to have occurred if the Recapture Event shall have arisen as a result of (i) a “force majeure” event

(as more particularly defined in Section 10.1(b) hereof), (ii) a taking or condemnation by governmental authority of all or part of the Facility, or (iii) the inability or failure of the Company after the Facility shall have been destroyed or damaged in whole or in part (such occurrence a "Loss Event") to rebuild, repair, restore or replace the Facility to substantially its condition prior to such Loss Event, which inability or failure shall have arisen in good faith on the part of the Company or any of its Affiliates so long as the Company or any of its Affiliates have diligently and in good faith using commercially reasonable efforts pursued the rebuilding, repair, restoration or replacement of the Facility or part thereof.

(f) The Company covenants and agrees to furnish the Agency with written notification (i) within sixty (60) days of the end of each Tax Year the number of FTEs located at the Facility for such Tax Year, and (ii) within thirty (30) days of actual notice of any facts or circumstances which would likely lead to a Recapture Event or constitute a Recapture Event hereunder. The Agency shall provide written notice to the Company of the occurrence of a Recapture Event hereunder, which notification shall set forth the terms of such Recapture Event.

(g) In the event any payment owing by the Company under this Section shall not be paid on demand by the Agency, such payment shall bear interest from the date of such demand at a rate equal to one percent (1%) plus the Prime Rate, but in no event at a rate higher than the maximum lawful prevailing rate, until the Company shall have made such payment in full, together with such accrued interest to the date of payment, to the Agency (except as otherwise specified above).

(h) The Agency shall be entitled to deduct all reasonable out of pocket expenses of the Agency, including without limitation, reasonable legal fees, incurred with the recovery of all amounts due under this Section 5.4, from amounts received by the Agency pursuant to this Section 5.4.

The obligations of the Company under this Section 5.4 shall survive the termination or expiration of this Lease Agreement for any reason whatsoever. The Agency, in its sole discretion and in furtherance of the purposes of the Act, may waive, the payment of Recaptured Benefits in whole or in part, for good cause shown.

ARTICLE VI MAINTENANCE, MODIFICATIONS, TAXES AND INSURANCE

Section 6.1 Maintenance and Modifications of Facility by Company.

(a) The Company shall not abandon the Facility or cause or permit any waste to the Improvements. During the Lease Term, the Company shall not remove any material part of the Facility outside of the jurisdiction of the Agency and shall (i) keep the Facility or cause the Facility to be kept in as reasonably safe condition as its operations shall permit; (ii) make all necessary repairs and replacements to the Facility; and (iii) operate the Facility in a sound and economic manner.

(b) The Company from time to time may make any structural additions, modifications or improvements to the Facility or any part thereof, provided such actions do not adversely affect the structural integrity of the Facility. The Company may not make any changes to the footprint

of the Facility or any additions expanding the square footage of the Facility (including the addition of any stories whether above or below ground) or make any additions, modifications or improvements to the Facility which will materially and/or adversely affect the structural integrity or value of the Facility without the prior written consent of the Agency, which consent shall not be unreasonably withheld or delayed. All such additions, modifications or improvements made by the Company after the date hereof shall become a part of the Facility and the Property of the Agency. The Company agrees to deliver to the Agency all documents which may be necessary or appropriate to convey to the Agency title to or an interest in such Property.

Section 6.2 Installation of Additional Equipment. Subject to the provisions of Section 8.9 hereof, the Company or any permitted sublessee of the Company from time to time may install additional machinery, equipment or other personal property in the Facility (which may be attached or affixed to the Facility), and such machinery, equipment or other personal property shall not become, or be deemed to become, a part of the Facility, so long as such additional property is properly identified by such appropriate records, including computerized records, as approved by the Agency. The Company from time to time may create or permit to be created any Lien on such machinery, equipment or other personal property. Further, the Company from time to time may remove or permit the removal of such machinery, equipment and other personal property from the Facility, provided that any such removal of such machinery, equipment or other personal property shall not occur: (i) if any Event of Default has occurred or (ii) if any such removal shall adversely affect the structural integrity of the Facility or impair the overall operating efficiency of the Facility for the purposes for which it is intended, and provided further, that if any damage to the Facility is occasioned by such removal, the Company agrees promptly to repair or cause to be repaired such damage at its own expense.

Section 6.3 Governmental Charges and Utility Charges.

(a) Subject to the Sales Tax Exemption and the Real Property Tax Abatements as provided hereunder, the Company agrees to pay, as the same become due and before any fine, penalty, interest (except interest which is payable in connection with legally permissible installment payments) or other cost which may be added thereto or become due or be imposed by operation of law for the non-payment thereof, (i) all taxes, PILOT Payments and governmental charges of any kind whatsoever which may at any time be lawfully assessed or levied against or with respect to the Facility and any machinery, equipment or other Property installed or brought by the Company therein or thereon, including, without limiting the generality of the foregoing, any sales or use taxes imposed with respect to the Facility or any part or component thereof, or the rental or sale of the Facility or any part thereof, and any taxes levied upon or with respect to the income or revenues of the Agency from the Facility; (ii) all utility and other charges, including service charges, incurred or imposed for or with respect to the operation, maintenance, use, occupancy, upkeep and improvement of the Facility; and (iii) all assessments and charges of any kind whatsoever lawfully made by any governmental body for public improvements; provided that, with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Company shall be obligated under this Lease Agreement to pay only such installments as are required to be paid during the Lease Term.

(b) Except with respect to PILOT Payments, the Company may in good faith contest any such taxes, assessments and other charges. In the event of any such proceedings, the Company

may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such proceedings and any appeal therefrom, provided, however, that (i) neither the Facility nor any part thereof or interest therein would be in any immediate danger of being sold, forfeited or lost by reason of such proceedings and (ii) the Company shall have set aside on its books adequate reserves with respect thereto and shall have furnished such security, if any, as may be required in such proceedings or requested by the Agency.

(c) The Agency agrees that if it or the Company contests any taxes, assessments or other charges provided for in paragraph (b) hereof, all sums returned and received by the Agency, as a result thereof, will be promptly transmitted by the Agency to the Company and that the Company shall be entitled to retain all such amounts; which such obligation shall survive the expiration or termination of this Lease Agreement.

(d) Within thirty (30) days of receipt of written request therefor, the Company shall deliver to the Agency, official receipts of the appropriate taxing authorities or other proof reasonably satisfactory to the Agency evidencing payment of any tax.

Section 6.4 Insurance Required. At all times throughout the Lease Term, including during the Construction Period, if any, the Company shall, at its sole cost and expense, maintain or cause to be maintained insurance against such risks, and for such amounts, as are customarily insured against by facilities of like size and type and shall pay, as the same become due and payable, all premiums with respect thereto. Such insurance shall include, without limitation, the following:

(a) Insurance against loss or damage by fire, lightning and other casualties customarily insured against, with a uniform standard extended coverage endorsement, in an amount not less than the full replacement value of the completed Improvements, exclusive of footings and foundations, as determined by a recognized appraiser or insurer selected by the Company, but in no event less than the greater of \$2,000,000 or the amount as may be required by any Lender. During any Construction Period, such policy shall be written in the so-called "Builder's Risk Completed Value Non-Reporting Form" and shall contain a provision granting the insured permission to complete and/or occupy.

(b) Workers' compensation insurance, disability benefits insurance and each other form of insurance which the Company is required by law to provide, covering loss resulting from injury, sickness, disability or death of employees of the Company who are located at or assigned to the Facility. This coverage shall be in effect from and after the Completion Date or on such earlier date as any employees of the Company, any contractor or subcontractor first occupy the Facility.

Such insurance may be written with deductible amounts comparable to those on similar policies carried by other companies engaged in businesses similar in size, character and other respects to those in which the procuring entity is engaged. All policies of insurance required by Section 6.4 hereof shall provide for at least ten (10) days' prior written notice to the Agency of the restriction, cancellation or modification thereof. The policy evidencing the insurance required by Section 6.4(c) hereof shall name the Agency as an additional insured. All policies evidencing the insurance required by Section 6.4(d)(ii) and (iv) shall name the Agency and the Company as additional insureds.

No such payment by the Agency shall affect or impair any rights of the Agency hereunder arising in consequence of such failure by the Company. The Company shall, on demand, reimburse the Agency for any amount so paid or for expenses or costs incurred in the performance of any such act by the Agency pursuant to this Section (which shall include all reasonable legal fees and disbursements), together with interest thereon, from the date of payment of such amount, expense or cost by the Agency at a rate equal to two percent (2%) plus the Prime Rate, but in no event higher than the maximum lawful prevailing rate.

(ii) there shall be no abatement or reduction in the amounts payable by the Company under this Lease Agreement, including, without limitation, the PILOT Payments (whether or not the Facility is replaced, repaired, rebuilt, restored or relocated);

(iii) the Company shall promptly give written notice thereof to the Agency;

(iv) upon the occurrence of such damage or destruction, the Net Proceeds derived from the insurance shall be (A) paid to the Company or the Lender, as applicable, for the replacement, repair, rebuilding, restoration or relocation of the Facility as provided in Section 7.1(b) hereof or (B) applied pursuant to Section 7.1(e) hereof; and

(v) if the Facility is not replaced, repaired, rebuilt, restored or relocated, as provided herein and in Section 7.1(b) hereof, this Lease Agreement shall be terminated at the option of the Agency and the provisions of Section 7.1(e) hereof shall apply.

(b) Any replacements, repairs, rebuilding, restorations or relocations of the Facility by the Company after the occurrence of such damage or destruction shall be subject to the following conditions:

- (iv) any other conditions the Agency may reasonably impose.

(c) All such repair, replacement, rebuilding, restoration or relocation of the Facility shall be effected with due diligence in a good and workmanlike manner in compliance with all applicable legal requirements, shall be promptly and fully paid for by the Company in accordance with the terms of the applicable contracts and shall automatically become a part of the Facility as if the same were specifically provided herein.

(d) In the event such Net Proceeds are not sufficient to pay in full the costs of such repair, replacement, rebuilding, restoration or relocation, the Company shall nonetheless complete the work, or cause the work to be completed pursuant to the terms of this Lease Agreement, and pay from its own moneys, or cause to be paid by such other party as may be obligated for payment that portion of the costs thereof in excess of such Net Proceeds. All such repairs, replacements, rebuilding, restoration or relocations made pursuant to this Section, whether or not requiring the expenditure of the Company's own money or moneys of any other person, shall automatically become a part of the Facility as if the same were specifically described herein.

(e) If the Company shall not repair, replace, rebuild, restore or relocate the Facility, it shall be deemed to have exercised its option to terminate this Lease Agreement pursuant to Section 11.1 hereof. Any Net Proceeds derived from insurance shall be applied to the payment of the amounts required to be paid by Section 11.2 hereof and the balance shall be delivered to the Company. If an Event of Default hereunder shall have occurred and the Agency shall have exercised its remedies under Section 10.2 hereof, such Net Proceeds shall be applied to the payment of the amounts required to be paid by Section 10.2 and Section 10.4 hereof.

Section 7.2 Condemnation.

(a) If title to or use of the Facility shall be taken by Condemnation (in whole or in part) at any time during the Lease Term:

- (i) the Agency shall have no obligation to repair, replace, rebuild, restore or relocate the Facility or to acquire, by construction or otherwise, facilities of substantially the same nature as the Facility ("**Substitute Facilities**");
- (ii) there shall be no abatement or reduction in the amounts payable by the Company under this Lease Agreement including, without limitation, the PILOT Payments (whether or not the Facility is repaired, replaced, rebuilt, restored or relocated or Substitute Facilities are acquired);

(iii) the Company shall promptly give written notice thereof to the Agency;

(iv) upon the occurrence of such Condemnation, the Net Proceeds derived therefrom shall be (A) paid to the Company or the Lender, as applicable, for the replacement, repair, rebuilding, restoration or relocation of the Facility or acquisition of Substitute Facilities as provided in Section 7.2(b) hereof or (B) applied pursuant to Section 7.2(e) hereof; and

(v) if the Facility is not repaired, replaced, rebuilt, restored or relocated, as provided herein and in Section 7.2(b) hereof, this Lease Agreement shall be terminated at the option of the Agency and the provisions of Section 7.2(e) hereof shall apply.

(b) Any repairs, replacements, rebuilding, restorations or relocations of the Facility by the Company after the occurrence of such Condemnation or acquisitions by the Company of Substitute Facilities shall be subject to the following conditions:

(i) the Facility or the Substitute Facilities shall be in substantially the same condition and value as an operating entity as existed prior to the Condemnation;

(ii) the Facility or the Substitute Facilities shall continue to constitute a "project" as such term is defined in the Act;

(iii) the Facility or the Substitute Facilities will be subject to no Liens, other than Permitted Encumbrances; and

(iv) any other conditions the Agency may reasonably impose.

(c) All such repair, replacement, rebuilding, restoration or relocation of the Facility shall be effected with due diligence in a good and workmanlike manner in compliance with all applicable legal requirements, shall be promptly and fully paid for by the Company in accordance with the terms of the applicable contracts and shall automatically become a part of the Facility as if the same were specifically described herein. Any Net Proceeds of a Condemnation not used to repair, replace, rebuild, restore, or relocate the Facility shall belong to the Company.

(d) In the event such Net Proceeds are not sufficient to pay in full the costs of such repair, replacement, rebuilding, restoration, relocation or acquisition of Substitute Facilities, the Company shall nonetheless complete, or cause to be completed, the work or the acquisition pursuant to the terms of this Lease Agreement and pay from its own moneys, or cause to be paid by such other party as may be obligated for payment, that portion of the costs thereof in excess of such Net Proceeds. All such repairs, replacements, rebuilding, restoration, relocations and such acquisition of Substitute Facilities made pursuant to this Section, whether or not requiring the expenditure of the Company's own money or moneys of any other person, shall automatically become a part of the Facility as if the same were specifically described herein.

(e) If the Company shall not repair, replace, rebuild or restore the Facility or acquire Substitute Facilities, it shall be deemed to have exercised its option to terminate this Lease Agreement pursuant to Section 11.1 hereof. Any Net Proceeds derived from the Condemnation

shall be applied to the payment of the amounts required to be paid by Section 11.2 hereof. If any Event of Default hereunder shall have occurred and the Agency shall have exercised its remedies under Section 10.2 hereof, such Net Proceeds shall be applied to the payment of the amounts required to be paid by Section 10.2 and Section 10.4 hereof and any balance remaining thereafter shall belong to the Company.

Section 7.3 Condemnation of Company-Owned Property. The Company shall be entitled to the Net Proceeds of any casualty, damage or destruction insurance proceeds or any Condemnation award or portion thereof made for damage to or taking of any Property which, at the time of such damage or taking, is not part of the Facility.

Section 7.4 Waiver of Real Property Law Section 227. The Company hereby waives the provisions of Section 227 of the Real Property Law of the State or any law of like import now or hereafter in effect.

ARTICLE VIII SPECIAL COVENANTS

Section 8.1 Right to Inspect Facility. The Agency and its duly authorized agents shall have the right at all reasonable times on reasonable notice to inspect the Facility, including, without limitation, for the purpose of ascertaining the condition of the Environment at, on or in the vicinity of the Facility.

Section 8.2 Hold Harmless Provisions.

(a) The Company agrees that the Agency, its directors, members, officers, agents (except the Company), and employees (the "**Indemnified Parties**") shall not be liable for and agrees to protect, defend, indemnify, save, release and hold the Indemnified Parties harmless from and against any and all damages, losses, liabilities, obligations, penalties, claims, litigation, demands, defenses, judgments, suits, actions, proceedings, costs, disbursements or expenses (including, without limitation, reasonable attorneys' and experts' fees, expenses and disbursements, incurred whether by reason of third party claims or to enforce the terms, conditions and provisions of this Lease Agreement) of any kind or nature whatsoever which may at any time be imposed upon, incurred by or asserted or awarded against the Agency relating to, resulting from or arising out of: (i) loss or damage to Property or injury to or death of any and all Persons that may be occasioned by, directly or indirectly, any cause whatsoever pertaining to the Facility or arising by reason of or in connection with the occupation or the use thereof or the presence of any Person or Property on, in or about the Facility or the Land, (ii) the Project Work and the Agency's acquisition, owning, leasing and subleasing of the Facility, including, without limiting the generality of the foregoing, all claims arising from the breach by the Company of any of its covenants contained herein, the exercise by the Company of the authority conferred upon it pursuant to Section 5.2 of this Lease Agreement, and all causes of action and reasonable attorneys' fees (whether by reason of third party claims or by reason of the enforcement of any provision of this Lease Agreement (including without limitation this Section) or any of the other documents delivered on the Closing Date by the Agency) and any other expenses incurred in defending any claims, suits or actions which may arise as a result of any of the foregoing, (iii) the conditions of the Environment at, on or in the vicinity of the Facility, (iv) the Project Work or the operation or

use of the Facility in violation of any applicable Environmental Law for the storage, treatment, generation, transportation, processing, handling, management, production or Disposal of any Hazardous Substance or as a landfill or other waste disposal site, or for military, manufacturing or industrial purposes or for the commercial storage of petroleum or petroleum based products, except in compliance with all applicable Environmental Laws, (v) the presence of any Hazardous Substance or a Release or Disposal or the threat of a Release or Disposal of any Hazardous Substance or waste on, at or from the Facility, (vi) the failure promptly to undertake and diligently pursue to completion all necessary, appropriate and legally authorized investigative, containment, removal, clean-up and other remedial actions with respect to a Release or the threat of a Release of any Hazardous Substance on, at or from the Facility, required by any Environmental Law, (vii) human exposure to any Hazardous Substance, noises, vibrations or nuisances of whatever kind to the extent the same arise from the Project Work, the condition of the Facility or the ownership, use, sale, operation, conveyance or operation thereof in violation of any Environmental Law, (viii) a violation of any applicable Environmental Law, (ix) non-compliance with any Environmental Permit, (x) a material misrepresentation or inaccuracy in any representation or warranty or a material breach of or failure to perform any covenant made by the Company in this Lease Agreement, or (xi) the costs of any required or necessary investigation, assessment, testing, repair, cleanup, or detoxification of the Facility and the preparation of any closure or other required plans; provided that any such losses, damages, liabilities or expenses of the Agency are not incurred on account of and do not result from the gross negligence or intentional or willful wrongdoing of the Indemnified Parties. The foregoing indemnities shall apply notwithstanding the fault or negligence on the part of any of the Indemnified Parties, and irrespective of the breach of a statutory obligation or the application of any rule of comparative or apportioned liability. The foregoing indemnities are limited only to the extent of any prohibitions imposed by law, and upon the application of any such prohibition by the final judgment or decision of a competent court of law, the remaining provisions of these indemnities shall remain in full force and effect.

(b) Notwithstanding any other provisions of this Lease Agreement, the obligations of the Company pursuant to this Section 8.2 shall remain in full force and effect after the termination of this Lease Agreement until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought, the payment in full or the satisfaction of such claim, cause of action or prosecution relating to the matters herein described and the payment of all expenses and charges incurred by the Indemnified Parties, relating to the enforcement of the provisions herein specified. The liability of the Company to the Agency hereunder shall in no way be limited, abridged, impaired or otherwise affected by (i) any amendment or modification of any of the Transaction Documents by or for the benefit of the Agency, the Company or any subsequent owners or users of the Facility, (ii) any extensions of time for payment or performance required by any of the Transaction Documents, (iii) the release of the Company or any other person from the performance or observance of any of the agreements, covenants, terms or conditions contained in any of the Transaction Documents by operation of law, either by the Agency's voluntary act or otherwise, (iv) the invalidity or unenforceability of any of the terms or provisions of the Transaction Documents, (v) any exculpatory provision contained in any of the Transaction Documents limiting the Agency's recourse to any other security or limiting the Agency's rights to a deficiency judgment against the Company, (vi) any investigation or inquiry conducted by or on the behalf of the Agency or any information which the Agency may have or obtain with respect to the condition of the Environment at, or ecological condition of, the Facility, (vii) the sale, assignment or

foreclosure of any mortgage relating to all or any part of the Facility, but only with respect to a Release that has occurred prior to any such event, (viii) the sale, assignment, subleasing, transfer or conveyance of all or part of the Land or the Facility or the Company's interests and rights in, to, and under the Lease Agreement or the termination of the Lease Agreement, but only with respect to a Release that has occurred prior to any such event, (ix) the release or discharge, in whole or in part, of the Company in any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or similar proceeding, or (x) any other circumstances which might otherwise constitute a legal or equitable release or discharge, in whole or in part, of the Company under the Lease Agreement, or any other Transaction Document.

(c) In the event of any claim against the Indemnified Parties by any employee or contractor of the Company or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation, disability benefits or other employee benefit acts.

Section 8.3 Company to Maintain Its Existence. The Company covenants and agrees that at all times during the Lease Term, it will (i) maintain its existence, (ii) continue to be an entity subject to service of process in the State and either organized under the laws of the State, or organized under the laws of any other state of the United States and duly qualified to do business as a foreign entity in the State, (iii) not liquidate, wind-up or dissolve or otherwise dispose of all or substantially all of its property, business or assets remaining after the execution and delivery of this Lease Agreement, and (iv) not consolidate with or merge into another entity or permit one or more entities to consolidate with or merge into it, except with consent of the Agency.

Section 8.4 Qualification in State. The Company throughout the Lease Term shall continue to be duly authorized to do business in the State.

Section 8.5 Agreement to File Annual Statements and Provide Information. The Company shall file with the NYSDTF an annual statement of the value of all sales and use tax exemptions claimed in connection with the Facility in compliance with Sections 874(8) of the GML as provided in Section 5.2(g) hereof. The Company shall submit a copy of such annual statement to the Agency at the time of filing with NYSDTF. The Company shall also provide the Agency with the information necessary for the Agency to comply with Section 874(9) of the GML. Annually, the Company shall provide the Agency with a certified statement and documentation (i) enumerating the FTE jobs, by category, retained and/or created at the Facility as a result of the Agency's financial assistance and (ii) indicating the fringe benefits and salary averages or ranges for such categories of FTE jobs created and/or retained. The Company further agrees to provide and certify or cause to be provided and certified such information concerning the Company, its finances, its operations, its employment and its affairs necessary to enable the Agency to make any report required by law, governmental regulation, including, without limitation, any reports required by the Act or the Public Authorities Accountability Act of 2005 and the Public Authorities Reform Act of 2009, each as amended from time to time, or any other reports required by the New York State Authority Budget Office or the Office of the State Comptroller or any of the Agency Documents or Company Documents. Such information shall be provided within thirty (30) days following written request from the Agency.

Section 8.6 Books of Record and Account; Financial Statements. The Company at all times agrees to maintain proper accounts, records and books in which full and correct entries shall be made, in accordance with generally accepted accounting principles, of all transactions and events relating to the business and financial affairs of the Company.

Section 8.7 Compliance with Orders, Ordinances, Etc.

(a) The Company, throughout the Lease Term, agrees that it will promptly comply, and cause any sublessee, tenant or occupant of the Facility to comply, with all statutes, codes, laws, acts, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions and requirements, ordinary or extraordinary, which now or at any time hereafter may be applicable to the Facility or any part thereof, or to the Project Work, or to any use, manner of use or condition of the Facility or any part thereof, of all federal, state, county, municipal and other governments, departments, commissions, boards, courts, authorities, officials and officers having jurisdiction over the Facility or any part thereof, or of the Project Work, or of any use, manner of use or condition of the Facility or any part thereof or of any companies or associations insuring the premises.

(b) Notwithstanding the provisions of Section 8.7(a) above, the Company may in good faith contest the validity or the applicability of any requirement of the nature referred to in Section 8.7(a) by appropriate legal proceedings conducted in good faith and with due diligence. In such event, the Company may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom, unless the Agency shall notify the Company that by failure to comply with such requirement or requirements, the Facility or any part thereof may be subject to loss, penalty or forfeiture, in which event the Company shall promptly take such action with respect thereto or provide such security as shall be satisfactory to the Agency. If at any time the then existing use or occupancy of the Facility shall, pursuant to any zoning or other law, ordinance or regulation, be permitted only so long as such use or occupancy shall continue, the Company shall use its best efforts not to cause or permit such use or occupancy to be discontinued without the prior written consent of the Agency.

Section 8.8 Discharge of Liens and Encumbrances.

(a) The Company, throughout the Lease Term, shall not permit or create or suffer to be permitted or created any Lien, except for Permitted Encumbrances, upon the Facility or any part thereof by reason of any labor, services or materials rendered or supplied or claimed to be rendered or supplied with respect to the Facility or any part thereof.

(b) Notwithstanding the provisions of Section 8.8(a) above, the Company may in good faith contest any such Lien. In such event, the Company may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom, unless the Agency shall notify the Company in writing that by nonpayment of any such item or items, the Facility or any part thereof may be subject to loss or forfeiture. In the event of such notice the Company shall promptly secure payment of all such unpaid items by filing a bond, in form and substance satisfactory to the Agency, thereby causing such Lien to be removed, or by taking such other actions as may be satisfactory to the Agency to protect its interests. Mechanics' Liens shall be discharged or bonded within thirty (30) days of the filing or perfection thereof.

Section 8.9 Depreciation Deductions and Investment Tax Credit. The parties agree that, as between them, the Company shall be entitled to all depreciation deductions with respect to any depreciable property comprising a part of the Facility and to any investment credit with respect to any part of the Facility.

Section 8.10 Employment Opportunities; Notice of Jobs. The Company covenants and agrees that, in consideration of the participation of the Agency in the transactions contemplated herein, it will, except as otherwise provided by collective bargaining contracts or agreements to which the Company is a party, cause any new employment opportunities created in connection with the Facility to be listed with the New York State Department of Labor, Community Services Division and with the administrative entity of the service delivery area created pursuant to the Job Training Partnership Act (PL 97-300), as superseded by Workforce Innovation and Opportunity Act (PL. 113-128), in which the Facility is located (collectively, the “**Referral Agencies**”). The Company also agrees, and shall cause any and all sublessees to agree, that they will, where practicable, first consider for such new employment opportunities persons eligible to participate in federal job training partnership programs who shall be referred by the Referral Agencies.

Section 8.11 Employment at the Facility. The Company will contract with a management company to oversee management of the Facility. Accordingly, there will be no post construction full-time or part-time employees of the Company employed specifically at the Facility. The Company hereby agrees that a total 30 FTE construction jobs will be created during the first year of construction and a total of 20 FTE construction jobs will be created during the second year of construction with respect to the demolition, construction, installation and equipping of the Facility (but, for purposes of clarity, not all such construction-related jobs are required to exist at the Facility at all times during such period). The Agency reserves the right to visit the Facility to confirm that the above-stated job creation requirements are being met.

ARTICLE IX

RELEASE OF CERTAIN LAND; ASSIGNMENTS AND SUBLEASING

Section 9.1 Restriction on Sale of Facility; Release of Certain Land.

(a) Except as otherwise specifically provided in this Article IX and in Article X hereof, the Agency shall not sell, convey, transfer, encumber or otherwise dispose of the Facility or any part thereof, or any of its rights under this Lease Agreement, without the prior written consent of the Company.

(b) The Agency and the Company from time to time may release from the provisions of this Lease Agreement and the leasehold estate created hereby any part of, or interest in, the Land which is not necessary, desirable or useful for the Facility. In such event, the Agency, at the Company's sole cost and expense, shall execute and deliver any and all instruments necessary or appropriate so to release such part of, or interest in, the Land. As a condition to such release, the Agency shall be provided with a copy of the instrument transferring such title or interest in such Land, an instrument survey of the Land to be conveyed, together with a certificate of an Authorized Representative of the Company stating that there is then no Event of Default under this Lease Agreement and that such part of, or interest in, the Land is not necessary, desirable or useful for the Facility.

(c) No conveyance of any part of, or interest in, the Land effected under the provisions of this Section 9.1 shall entitle the Company to any abatement or diminution of the rents payable by it under this Lease Agreement or any abatement or diminution of the PILOT Payments.

Section 9.2 Removal of Facility Equipment.

(a) The Agency shall not be under any obligation to remove, repair or replace any inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary item of Facility Equipment. In any instance where the Company determines that any item of Facility Equipment has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company, may remove such items from the Facility and may sell, trade-in, exchange or otherwise dispose of the same, as a whole or in part, provided that such removal will not materially impair the operation of the Facility for the purpose for which it is intended or change the nature of the Facility so that it does not constitute a "project" under the Act.

(b) Upon the request of the Company, the Agency shall execute and deliver to the Company all instruments necessary or appropriate to enable the Company to sell or otherwise dispose of any such item of Facility Equipment. The Company shall pay any costs (including attorneys' fees) incurred in transferring title to any item of Facility Equipment removed pursuant to this Section 9.2.

(c) The removal of any item of Facility Equipment pursuant to this Section shall not entitle the Company to any abatement or diminution of the PILOT Payments or any other amounts payable by it under this Lease Agreement.

Section 9.3 Assignment and Subleasing.

(a) This Lease Agreement may not be assigned, in whole or in part, and the Facility may not be subleased, in whole or in part, without the prior written consent of the Agency, in each instance, which consent shall not be unreasonably withheld or delayed, and which consent may be fully and effectively given by the execution and delivery of a Tenant Agency Compliance Agreement by an Authorized Representative of the Agency in substantially the form attached hereto as Exhibit X. Any assignment or sublease shall be on the following conditions, as of the time of such assignment or sublease:

(i) no assignment or sublease shall relieve the Company from primary liability for any of its obligations hereunder unless the Agency consents thereto, which consent shall not be unreasonably withheld or delayed subject to the dates of the Agency's board meetings and which consent shall be conditioned upon the Agency being indemnified and held harmless to its reasonable satisfaction;

(ii) the assignee or sublessee (except in the case of a true sublessee in the ordinary course of business) shall assume the obligations of the Company hereunder to the extent of the interest assigned or subleased;

(iii) the Company shall, within ten (10) days after the delivery thereof, furnish or cause to be furnished to the Agency a true and complete copy of such assignment or sublease and the instrument of assumption;

(iv) neither the validity nor the enforceability of the Lease Agreement shall be adversely affected thereby;

(v) the Facility shall continue to constitute a "project" as such quoted term is defined in the Act, and, without limiting the generality of the foregoing, no assignment or sublease shall cause the Facility to be used in violation of Section 862(2)(a) of the Act and no assignment or sublease shall cause the Facility to be occupied by a sublessee in violation of Section 862(1) of the Act; and

(vi) any sublessee will execute and deliver a Tenant Agency Compliance Agreement, satisfactory to the Agency;

(b) If the Agency shall so request, as of the purported effective date of any assignment or sublease pursuant to Section 9.3(a), the Company at its sole cost and expense shall furnish the Agency with opinions, in form and substance satisfactory to the Agency, (i) of Transaction Counsel as to item (v) above, and (ii) of Independent Counsel as to items (i), (ii), and (iv) above.

(c) In accordance with Section 862(1) of the Act, the Facility shall not be occupied by a sublessee whose tenancy would result in the removal of a facility or plant of the proposed sublessee from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of such sublessee located within the State; provided, however, that neither restriction shall apply if the Agency shall determine:

(i) that such occupation of the Facility is reasonably necessary to discourage the proposed sublessee from removing such other plant or facility to a location outside the State, or

(ii) that such occupation of the Facility is reasonably necessary to preserve the competitive position of the proposed sublessee in its respective industry.

(d) Notwithstanding anything contained in this Section 9.3 to the contrary, the Company shall be authorized without the prior consent of the Agency, written or otherwise, in the ordinary operation of the Facility as a multi-family apartment building to enter into residential leases with residential tenants with respect to the Facility (no one lease of which constitutes all or substantially all of the Facility), provided that a tenant under any such lease (each, a "**Permitted Tenant**" and collectively, "**Permitted Tenants**") shall not constitute a Prohibited Person. Permitted Tenants shall not be required to execute and deliver Tenant Agency Compliance Agreements.

Section 9.4 Merger of Agency. (a) Nothing contained in this Lease Agreement shall prevent the consolidation of the Agency with, or merger of the Agency into, or the transfer of the Agency's interest in the entire Facility to, any other public benefit corporation or political subdivision which has the legal authority to own and lease the Facility and to continue the tax benefits contemplated by the Transaction Documents, provided that upon any such consolidation,

merger or transfer, the due and punctual performance and observance of all the agreements and conditions of this Lease Agreement to be kept and performed by the Agency shall be expressly assumed in writing by the public benefit corporation or political subdivision resulting from such consolidation or surviving such merger or to which the Facility shall be transferred.

(b) Within thirty (30) days after the consummation of any such consolidation, merger or transfer of title, the Agency shall give notice thereof in reasonable detail to the Company and shall, upon request, furnish to the Company, at the sole cost and expense of the Company, a favorable opinion of Independent Counsel as to compliance with the provisions of Section 9.4(a) hereof. The Agency promptly shall furnish such additional information with respect to any such transaction as the Company may reasonably request.

(vii) the dissolution or liquidation of the Company; or the failure by the Company to release, stay, discharge, lift or bond within sixty (60) days of any execution, garnishment, judgment or attachment of such consequence as may impair its ability to carry on its operations; or the failure by the Company generally to pay its debts as they become due; or an assignment by the Company for the benefit of creditors; or the commencement by the Company (as the debtor) of a case in bankruptcy or any proceeding under any other insolvency law; or the commencement of a case in bankruptcy or any proceeding under any other insolvency law against the Company (as the debtor), wherein a court having jurisdiction in the premises enters a decree or order for relief against the Company as the debtor, or such case or proceeding is consented to by the Company or remains undismissed for sixty (60) days, or the Company consents to or admits the material allegations against it in any such case or proceeding; or a trustee, receiver or agent (however named) is appointed or authorized to take charge of substantially all of the property of the Company for the purpose of enforcing a lien against such Property or for the purpose of general administration of such Property for the benefit of creditors;

(viii) the exercise of remedies by the mortgagee under the Mortgage, if any, shall have occurred and be continuing;

(ix) the failure by the Company to complete the Project on or before the Completion Date substantially and materially in accordance with the Plans and Specification and the Project Budget;

(x) the occurrence of an Event of Default under the Company Lease.

(b) Notwithstanding the provisions of Section 10.1(a), if by reason of force majeure any party hereto shall be unable in whole or in part to carry out its obligations under Sections 3.4, 6.1 and 8.10 of this Lease Agreement, and if such party shall give notice and full particulars of such force majeure in writing to the other party, within a reasonable time after the occurrence of the event or cause relied upon, such obligations under this Lease Agreement of the party giving such notice (and only such obligations), so far as they are affected by such force majeure, shall be suspended during continuation of the inability, which shall include a reasonable time for the removal of the effect thereof. The term "force majeure" as used herein shall include, without limitation, acts of God, strikes, lockouts or other industrial disturbances, acts of public enemies, acts, priorities or orders of any kind of the government of the United States of America or of the State or any of their departments, agencies, governmental subdivisions or officials or any civil or military authority, insurrections, riots, epidemics, landslides, lightning, earthquakes, fire, hurricanes, storms, floods, washouts, droughts, arrests, restraint of government and people, civil disturbances, explosions, breakage or accident to machinery, transmission pipes or canals, shortages of labor or materials or delays of carriers, partial or entire failure of utilities, shortage of energy or any other cause or event not reasonably within the control of the party claiming such inability and not due to its fault. The party claiming such inability shall remove the cause for the same with all reasonable promptness. It is agreed that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of the party having difficulty, and the

party having difficulty shall not be required to settle any strike, lockout and other industrial disturbances by acceding to the demands of the opposing party or parties.

Section 10.2 Remedies on Default.

(a) Whenever any Event of Default shall have occurred and be continuing, the Agency may take, to the extent permitted by law, any one or more of the following remedial steps:

(i) declare, by written notice to the Company, to be immediately due and payable, whereupon the same shall become immediately due and payable: (A) all unpaid installments of rent payable pursuant to Section 4.3(a) and (b) hereof, (B) all unpaid and past due PILOT Payments, (C) all due and owing Recaptured Benefits, and (D) all other payments due under this Lease Agreement;

(iii) take any other action at law or in equity which may appear necessary or desirable to collect the payments then due or thereafter to become due hereunder, and to enforce the obligations, agreements and covenants of the Company under this Lease Agreement.

(b) No action taken pursuant to this Section 10.2 (including termination of the Lease Agreement) shall relieve the Company from its obligation to make all payments required by Section 4.3 hereof or due and owing PILOT Payments or Recaptured Benefits.

Section 10.3 Remedies Cumulative. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Lease Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right and power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article X, it shall not be necessary to give any notice, other than such notice as may be herein expressly required in this Lease Agreement.

Section 10.4 Agreement to Pay Attorneys' Fees and Expenses. In the event the Company should default under any of the provisions of this Lease Agreement and the Agency should employ attorneys or incur other expenses for the collection of amounts payable hereunder or the

enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency the reasonable fees of such attorneys and such other expenses so incurred.

Section 10.5 No Additional Waiver Implied by One Waiver. In the event any agreement contained herein should be breached by any party and thereafter waived by any other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 10.6 Certificate of No Default. The Company shall deliver to the Agency each year no later than January 15th, a certificate signed by an Authorized Representative of the Company stating that the Company is not in default under this Lease Agreement and that no Event of Default exists under this Lease Agreement or any other Company Document. Such certificate shall also contain all information required under Section 8.5 hereof.

ARTICLE XI EARLY TERMINATION OF LEASE AGREEMENT OPTION IN FAVOR OF COMPANY

Section 11.1 Early Termination of Lease Agreement. The Company shall have the option to terminate this Lease Agreement at any time upon filing with the Agency a certificate signed by an Authorized Representative of the Company stating the Company's intention to do so pursuant to this Section and stating the date upon which such payments required by Section 11.2 hereof shall be made (which date shall not be less than forty-five (45) nor more than 90 days from the date such certificate is filed) and upon compliance with the requirements set forth in Section 11.2 hereof.

Section 11.2 Conditions to Termination of Lease Agreement. In the event of the termination or expiration of this Lease Agreement in accordance with the provisions of Sections 4.2, 10.2 or 11.1 hereof, the Company shall make or cause to be made the following payments:

- (a) To the Agency or the taxing authorities, as appropriate pursuant to Section 5.1 hereof: all PILOT Payments due and payable hereunder as of the date of the termination or expiration of this Lease Agreement;
- (b) To the Agency: the purchase price with respect to the Facility Equipment of one dollar (\$1.00);
- (c) To the Agency: all amounts due and payable under Section 5.4 hereof;
- (d) To the Agency: an amount certified by the Agency to be sufficient to pay all unpaid fees and expenses of the Agency incurred under the Agency Documents; and
- (e) To the appropriate Person: an amount sufficient to pay all other fees, expenses or charges, if any, due and payable or to become due and payable under the Company Documents.

Section 11.3 Conveyance on Termination. At the closing of any expiration or termination of the Lease Agreement, the Agency shall, upon receipt of the amounts payable

pursuant to Section 11.2 hereof, deliver to the Company all necessary documents (i) to terminate this Lease Agreement and the Company Lease and to convey the Facility Equipment to the Company, subject in each case only to the following: (A) any Liens to which leasehold estate or title to such Property was subject when conveyed to the Agency, (B) any Liens created at the request of the Company, to the creation of which the Company consented or in the creation of which the Company acquiesced, (C) any Permitted Encumbrances, and (D) any Liens resulting from the failure of the Company to perform or observe any of the agreements on its part contained in this Lease Agreement or arising out of an Event of Default hereunder; and (ii) to release and convey to the Company all of the Agency's rights and interest in and to any rights of action or any Net Proceeds of insurance or Condemnation awards with respect to the Facility (but not including any Unassigned Rights). At the closing of any expiration or termination of the Lease Agreement, and unless otherwise waived by the Agency, as a condition to such termination or expiration, the Company shall request each Lender to release the Agency from any Mortgage and any other Loan Documents to which it is a party in writing and cause such releases to be recorded as applicable.

ARTICLE XII LENDER PROVISIONS

Section 12.1 Subordination of Lease Agreement. This Lease Agreement and any and all modifications, amendments, renewals and extensions thereof is subject and subordinate to any Mortgage which may be granted by the Company or the Agency and the Company on the Facility or any portion thereof and to any and all modifications, amendments, consolidations, extensions, renewals, replacements and increases thereof.

Section 12.2 Mortgage and Pledge of Agency's Interests to Lender. The Agency shall at the request of, and at the sole cost and expense of, the Company (i) mortgage its interest in the Facility, and (ii) pledge and assign its rights to and interest in this Lease Agreement (other than Unassigned Rights) to the Lender as security for the payment of the principal of and interest on the Loan. The Company hereby acknowledges and consents to such mortgage, pledge and assignment by the Agency. Notwithstanding the foregoing, all indemnities herein contained shall, subsequent to such mortgage, pledge and assignment, continue to run to the Agency for its benefit.

Section 12.3 Pledge of Company's Interest to Lender. The Company shall have the right to pledge and assign its rights to and interest in this Lease Agreement and the Plans and Specifications to any Lender as security for the payment of the principal of and interest on the Loan. The Agency hereby acknowledges and consents to any such pledge and assignment by the Company.

Section 12.4 Making of Loans; Disbursement of Loan Proceeds. The Agency acknowledges that the Company may request one or more Lenders to make one or more loans to finance and refinance the costs of the acquisition of the Facility and/or the Project Work or to reimburse the Company for the cost of acquiring the Facility and/or the Project Work (the "**Loan**"). Proceeds of such Loan shall be disbursed by such Lender in accordance with the provisions of the Mortgage or other related documentation applicable to such Loan.

Provided that the Agency shall have received the notice of the name and address of a Lender, the Agency agrees that simultaneously with its giving of any notice under this Lease

Agreement (each a “**Notice**”) it will send a copy of such Notice to each Lender. Each Notice shall be sent to each Lender in the manner provided herein at the address provided to the Agency by each Lender for such purpose. Each such Lender may change such address from time to time by written notice to the Agency in accordance herewith. The Agency shall reasonably cooperate with the Company in connection with the granting or modification by the Company of any Mortgage. Such cooperation shall include, without limitation, the execution and delivery of such documents and instruments in connection with a Mortgage as the Company or the Lender may reasonably request (the “**Loan Documents**”). The Company shall perform or cause to be performed for and on behalf of the Agency, and at the Company’s sole cost and expense, each and every obligation of the Agency under and pursuant to such instruments.

Section 12.5 References to Lender, Loan or Mortgage. All references herein to Lender, Loan or Mortgage or other similar words, whether in the singular or the plural, may be in anticipation of future Loans to be made by future Lenders. Such references shall only be effective if such Loans have been made and are still outstanding. If such Loans are never made or have been repaid, such references shall not be of any force or effect.

ARTICLE XIII ENVIRONMENTAL MATTERS

Section 13.1 Environmental Representations of the Company. The Company hereby represents and warrants to the Agency that:

(a) Neither the Facility nor, to the best of the Company’s knowledge, any property adjacent to or within the immediate vicinity of the Facility is being or has been used in violation of any applicable Environmental Law for the storage, treatment, generation, transportation, processing, handling, production or disposal of any Hazardous Substance or as a landfill or other waste management or disposal site or for military, manufacturing or industrial purposes or for the storage of petroleum or petroleum based products.

(b) To the best of the Company’s knowledge, underground storage tanks are not and have not been located on the Facility.

(c) The soil, subsoil, bedrock, surface water and groundwater of the Facility are free of Hazardous Substances, in violation of Environmental Law, other than any such substances that occur naturally.

(d) There has been no Release or, to the best of the Company’s knowledge, threat of a Release of any Hazardous Substance in violation of any applicable law on, at or from the Facility or any property adjacent to or within the immediate vicinity of the Facility which through soil, subsoil, bedrock, surface water or groundwater migration could come to be located on or at the Facility, and the Company has not received any form of notice or inquiry from any federal, state or local governmental agency or authority, any operator, tenant, subtenant, licensee or occupant of the Facility or any property adjacent to or within the immediate vicinity of the Facility or any other person with regard to a Release or the threat of a Release of any Hazardous Substance on, at or from the Facility or any property adjacent to or within the immediate vicinity of the Facility in violation of any applicable law.

(e) All Environmental Permits necessary for the Project Work and the ownership, use or operation of the Facility either have been obtained and are in full force and effect or will be obtained and will be in full force and effect prior to the commencement of any activities that require such Environmental Permits.

(f) No event has occurred with respect to the Facility which, with the passage of time or the giving of notice, or both, would constitute a violation of or non-compliance with any applicable Environmental Law or Environmental Permit.

(g) There are no agreements, consent orders, decrees, judgments, license or permit conditions or other orders or directives of any federal, state or local court, governmental agency or authority relating to the past, present or future construction, renovation, equipping, ownership, use, operation, sale, transfer or conveyance of the Facility which require any change in the present condition of the Facility or any work, repairs, construction, containment, clean up, investigations, studies, removal or remedial action or capital expenditures in order for the Facility to be in compliance with any applicable Environmental Law or Environmental Permit.

(h) There are no actions, suits, claims or proceedings, pending or threatened, which could cause the incurrence of expenses or costs of any name or description or which seek money damages, injunctive relief, remedial action or remedy that arise out of, relate to or result from (i) conditions of the Environment at, on or in the vicinity of the Facility, (ii) a violation or alleged violation of any applicable Environmental Law or non-compliance or alleged non-compliance with any Environmental Permit with respect to the Facility, (iii) the presence of any Hazardous Substance or a Release or the threat of a Release of any Hazardous Substance on, at or from the Facility or any property adjacent to or within the immediate vicinity of the Facility or (iv) human exposure to any Hazardous Substance, noises, vibrations or nuisances of whatever kind to the extent the same arise from the condition of the Facility, the Project Work or the ownership, use, operation, sale, transfer or conveyance of the Facility.

Section 13.2 Environmental Covenants of the Company. The Company hereby covenants and agrees with the Agency as follows:

(a) The Company shall perform the Project Work and use, operate and manage the Facility in accordance with all applicable Environmental Laws and Environmental Permits, and shall cause all operators, tenants, subtenants, licensees and occupants of the Facility to perform the Project Work and to use, operate and manage the Facility in accordance with any applicable Environmental Laws and Environmental Permits, and shall not cause, allow or permit the Facility or any part thereof to be operated or used for the storage, treatment, generation, transportation, processing, handling, production, management or Disposal of any Hazardous Substances other than in accordance with all applicable Environmental Laws and Environmental Permits.

(b) The Company shall obtain and comply with, and shall cause all contractors, subcontractors, operators, tenants, subtenants, licensees and occupants of the Facility to obtain and comply with, all Environmental Permits, if any.

(c) The Company shall not cause or permit any change to be made in the present or intended Project Work or use or operation of the Facility which would (i) involve the storage,

treatment, generation, transportation, processing, handling, management, production or disposal of any Hazardous Substance other than in accordance with any applicable Environmental Law, or the Project Work or use or operation of the Facility as a landfill or waste management or disposal site or for manufacturing or industrial purposes or for the storage of petroleum or petroleum based products other than in accordance with any applicable Environmental Law, (ii) violate any applicable Environmental Law, (iii) constitute a violation or non-compliance with any Environmental Permit or (iv) increase the risk of a Release of any Hazardous Substance.

(d) The Company shall promptly provide the Agency with a copy of all notifications which the Company gives or receives with respect to conditions of the Environment at or in the vicinity of the Facility, any past or present Release or the threat of a Release of any Hazardous Substance on, at or from the Facility or any property adjacent to or within the immediate vicinity of the Facility. If the Company receives or becomes aware of any such notification which is not in writing or otherwise capable of being copied, the Company shall promptly advise the Agency of such verbal, telephonic or electronic notification and confirm such notice in writing. Furthermore, upon the Company's discovery thereof, the Company shall promptly advise the Agency in writing of: (i) the presence of any Hazardous Substance on, under or about the Facility of which the Agency has not previously been advised in writing; (ii) any remedial action taken by, or on behalf of, the Company in response to any Hazardous Substance on, under or about the Facility or to any environmental proceedings of which the Company has not previously been advised in writing; and (iii) the occurrence or condition on any real property adjoining or in the vicinity of the Facility that could reasonably be expected to cause the Facility or any part thereof to be subject to any restrictions on the ownership, occupancy, transferability or use of the Facility under any Environmental Law. The Company shall also provide the Agency with copies of all reports, analyses, notices, licenses, approvals, orders, correspondences or other written materials in its possession or control relating to the condition of the Environment at the Facility or real property or bodies of water adjoining or in the vicinity of the Facility or environmental proceedings promptly upon receipt, completion or delivery of such materials.

(e) The Company shall undertake and complete all investigations, studies, sampling and testing and all removal or remedial actions necessary to contain, remove and clean up all Hazardous Substances that are or may become present at the Facility and are required to be removed and/or remediated in accordance with all applicable Environmental Laws and all Environmental Permits. All remedial work shall be conducted (i) in a diligent and timely fashion by licensed contractors acting under the supervision of a consulting environmental engineer, (ii) pursuant to a detailed written plan for the remedial work approved by any public or private agencies or persons with a legal or contractual right to such approval, (iii) with such insurance coverage pertaining to liabilities arising out of the remedial work as is then customarily maintained with respect to such activities, and (iv) only following receipt of any required permits, licenses or approvals. In addition, the Company shall submit, or cause to be submitted, to the Agency, promptly upon receipt or preparation, copies of any and all reports, studies, analyses, correspondence, governmental comments or approvals, proposed removal or other remedial work contracts and similar information prepared or received by or on behalf of the Company in connection with any remedial work, or Hazardous Substances relating to the Facility. All costs and expenses of such remedial work shall be paid by or on behalf of the Company, including, without limitation, the charges of the remedial work contractors and the consulting environmental engineer, any taxes or penalties assessed in connection with the remedial work and the Agency's

out-of-pocket costs incurred in connection with monitoring or review of such remedial work. The Agency shall have the right but not the obligation to join and participate in, as a party if it so elects, any legal proceedings or actions initiated in connection with any environmental proceedings.

(f) If at any time the Agency obtains any notice or information that the Company or the Facility, or the use or operation thereof or the Project Work may be in violation of an Environmental Law or in non-compliance with any Environmental Permit or standard, the Agency may require that a full or supplemental environmental inspection and audit report with respect to the Facility of a scope and level of detail reasonably satisfactory to the Agency be prepared by a professional environmental engineer or other qualified environmental scientist acceptable to the Agency, at the Company's sole cost and expense. Said audit may, but is not required to or limited to, include a physical inspection of the Facility, a records search, a visual inspection of any property adjacent to or within the immediate vicinity of the Facility, personnel interviews, review of all Environmental Permits and the conducting of scientific testing. If necessary to determine whether a violation of an Environmental Law exists, such inspection shall also include subsurface testing for the presence of Hazardous Substances in the soil, subsoil, bedrock, surface water and/or groundwater. If said audit report indicates the presence of any Hazardous Substance or a Release or Disposal or the threat of a Release or Disposal of any Hazardous Substance on, at or from the Facility in violation of any applicable law, the Company shall promptly undertake and diligently pursue to completion all necessary, appropriate investigative, containment, removal, clean-up and other remedial actions required by any Environmental Law, in accordance with Section 13.2(e) above. The Company hereby consents to the Agency notifying any party under such circumstances of the availability of any or all of the environmental reports and the information contained therein. The Company further agrees that the Agency may disclose such environmental reports to any governmental agency or authority if the Agency reasonably believe that it is required to disclose any matter contained in such environmental reports to such agency or authority; provided that the Agency shall give the Company at least forty-eight (48) hours prior written notice before so doing. The Company acknowledges that the Agency cannot control or otherwise assure the truthfulness or accuracy of the environmental reports, and that the release of the environmental reports, or any information contained therein, to prospective bidders at any foreclosure sale of the Facility may have a material and adverse effect upon the amount which a party may bid at such sale. The Company agrees that the Agency shall not have any liability whatsoever as a result of delivering any or all of the environmental reports or any information contained therein to any third party if done in good faith, and the Company hereby releases and forever discharges the Agency from any and all claims, damages, or causes of action arising out of, connected with or incidental to the delivery of environmental reports.

Section 13.3 Survival Provision. Notwithstanding anything to the contrary contained herein, the representations, warranties, covenants and indemnifications of the Company contained in this Article XIII shall survive any termination, conveyance, assignment, subleasing or defeasance of any right, title or interest of the Company in and to the Facility or in, to or under the Lease Agreement.
