In consideration therefor, the Lessee hereby agrees as follows:

(a)(i) If there shall occur a Recapture Event after the date hereof, the Lessee or the Sublessee shall pay to the Agency as a return of public benefits conferred by the Agency, the following amounts:

(A) one hundred per cent (100%) of the Benefits (as defined below) if the Recapture Event occurs within the first five (5) years after the date hereof;

(B) eighty per cent (80%) of the Benefits if the Recapture Event occurs during the period from the sixty (6th) year through and including the eighth (8th) year after the date hereof;

(C) sixty per cent (60%) of the Benefits if the Recapture Event occurs during the ninth (9th) year after the date hereof;

(1) all real estate tax benefits which have accrued to the benefit of the Lessee or the Sublessee commencing from and after the "Commencement Date", and during the period of time that the Agency is the owner of the Facility, such tax benefits to be computed by subtracting the payments in lieu of taxes paid under Section 4.3 hereof from those payments which the Lessee or the Sublessee would have been required to pay during the term of this Agreement (within the meaning of Section 3.2 hereof) had the Town determined the amount of such real estate taxes as would be due if the Lessee had been the owner of the Facility Realty during such term; and

(2) all miscellaneous benefits derived from the Agency's participation in the straight-lease transaction contemplated by this Agreement, including, but not limited to, any exemption from any applicable state or local sales and use tax, mortgage recording tax and filing and recording fees accruing from and after the date hereof.

As used in this Section, the term "Recapture Event" shall mean any of the following events:

(1) The Lessee or the Sublessee shall have liquidated its operations and/or assets (absent a showing of extreme hardship);

(2) The Lessee or the Sublessee shall have ceased all or substantially all of its operations at the Facility (whether by relocation to another facility or otherwise, or whether to another facility either within or outside of the Town) through no force majeure event;

(3) The Lessee or the Sublessee shall have transferred all or substantially all of its employees within the Town to a location outside of the Town through no force majeure event;

(4) The Lessee or the Sublessee shall have subleased all or any portion of the Facility in violation of the limitations imposed by Section 9.3 hereof, without the prior written consent of the Agency;

(6) Base Employment Reduction Percentage shall be greater than fifteen percent (15%) due to a Relocation Reduction occurring with respect to an Annual Period.

Notwithstanding the foregoing, a Recapture Event shall not be deemed to have occurred if the Recapture Event shall have arisen as a direct, immediate result of (i) a taking or condemnation by governmental authority of all or substantially all of the Facility, or (ii) the inability at law of the Lessee to rebuild, repair, restore or replace the Facility after the occurrence of a Loss Event to substantially its condition prior to such Loss Event, which inability shall have arisen in good faith through no fault on the part of the Lessee or any Affiliate.

(b) The Lessee covenants and agrees to furnish the Agency with written notification upon any Recapture Event or disposition of the Facility or any portion thereof made within twelve (12) years of the Commencement Date, which notification shall set forth the terms of such Recapture Event and/or disposition.

(c) In the event any payment owing by the Lessee or the Sublessee under this Section shall not be paid on demand by the Lessee or the Sublessee, such payment shall bear interest from the date of such demand at the then current interest rate imposed on delinquent payments of real property taxes until the Lessee or the Sublessee shall have paid such payment in full, together with such accrued interest to the date of payment, to the Agency.

(d) The Agency, in its sole discretion, may waive all or any portion of any payment owing by the Lessee or the Sublessee under this Section.

SCHEDULE C

Supplement to Application Responses

General Narrative.

Topiderm, Inc. ("Topiderm") and Topix Pharmaceuticals, Inc. ("Topix" and collectively with Topiderm, the "Companies") are contract manufacturers and developers of over-the-counter pharmaceuticals, cosmetics, dermatological products and health and beauty aids. The Companies have been in business for over thirty (30) years at their North Amityville facility, currently consisting of two leased buildings at 5200 New Horizons Boulevard, North Amityville, New York and 180 Farmingdale Road (Route 109), West Babylon, New York. The Companies hire industry-leading personnel in all facets of their R&D, planning, manufacturing and packaging operations. Currently, the Companies employ 405 full-time employees in the Town of Babylon.

As the Companies continue to grow, and expansion of their operations to meet the Companies' needs. The Companies are currently in negotiations for the lease of a 35,000 square foot industrial building adjacent to their current headquarters. With the Agency's assistance, the Companies plan to split their current operations to house their assembly operations in the new location (5300 New Horizon Boulevard) and expand their warehousing and distribution operations in the 180 Farmingdale Road location. The employment will grow by 33 full time employees to 433 full time employees.

The Companies have a national client base and as such, many of their competitors are located in other states and even other countries. Often, those competitors locations offer substantially lower costs of doing business than New York and specifically, Long Island. Given the high cost of doing business in its current location, it is a challenge for the Company to continue to compete in the marketplace. The Companies have received and continue to receive offers to relocate their operations out-of-state and even to other countries where the costs of doing business, together with incentive packages, would greatly improve the Companies' competitive position. The financial assistance requested from the Agency would be of vital importance not only in the decision to expand (and the hiring associated therewith) but also to keep the Companies' operations in the Town of Babylon.

11. Will the proposed action create a hazard to environmental resources or human health?		

Part 3 - Determination of significance. The Lead Agency is responsible for the completion of Part 3. For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.
