A. If no, explain how current facilities will be utilized:

B. If yes, please indicate whether the project is reasonably necessary for the Applicant to maintain its competitive position in its industry or remain in the State and explain in full:

Existing facility for Precision Compounding, whose customer base in interstate & local sales of compounded

pharmaceutical products will relocate from 2657 Merrick Rd. Bellmore to Parcel 2 at 61-65 Allen Blvd., Farmingdale,

NY. It is necessary for both Great Neck Chemists and Precision Compounding to manage more efficiently by relocating next to the affiliated pharmaceutical dist. facility at 69 Allen Blvd., Farmingdale, NY. Cannot reasonably remain in New York State and become competitive if facility cannot be located at or appurtenant to its existing facility (Parcel 1).

By rehabilitating Parcel 2, we will be able to build the compounding pharmacy next to our pharmaceutical provider, and consolidate systems, share certain equipment, etc. with Parcel 1, and therefore, make the two businesses more competitive, industrywide.

PARCELS 1 & 2

7. Has the Applicant actively considered sites in another state? Yes ☒ No ☐

Parcel 1-69 Allen: 45 f/t employees - Avg. Salary \$85,059. Parcel 2-61-85 Allen: will be 70 f/t -Avg. Salary \$42,472.

Part VII – Representations, Certifications and Indemnification

1. Is the Applicant in any litigation which would have a material adverse effect on the Applicant's financial condition? (if yes, furnish details on a separate sheet)

Yes ☐ No ☒

2. Has the Applicant or any of the management of the Applicant, the anticipated users or any of their affiliates, or any other concern with which such management has been connected, been cited for a violation of federal, state or local laws or regulations with respect to:

- a. Labor practices,

(with respect to workers and/or their working conditions and/or their wages, including but not limited to pending or threatened labor strikes, hand billing, consumer boycotts, mass demonstrations or other similar incidents; unfair labor practices complaints; incurred, or potentially incurred, liability including withdrawal liability with respect to an employee benefit plan, including a pension plan; any complaints, claims, proceedings or litigation arising from alleged discrimination in the hiring, firing, promoting, compensating or general treatment of employees. Please consider "discrimination" to include sexual harassment.)

Yes ☐ No ☒ (If yes, furnish details on a separate sheet)

- b. hazardous wastes, environmental pollution,

Yes ☐ No ☒ (If yes, furnish details on a separate sheet)

- c. other operating practices

Yes ☐ No ☒ (If yes, furnish details on a separate sheet)

3. Is there a likelihood that the Applicant would not proceed with this project without the Agency's assistance? (If yes, please explain why; if no, please explain why the Agency should grant the benefits requested)

Yes ☒ No ☐

It is likely that Applicant would not proceed with the Project without the Agency's assistance because it is financially unfeasible to continue to operate overlapping uses from such distant facilities. Without financial assistance, the essentially double costs of operation would be prohibitive, and Company would likely sell Parcels 1 and 2 and not move forward with the Project.

4. If the Applicant is unable to obtain financial assistance from the Agency for the project, what would be the impact on the Applicant and on the municipality?

Applicant would relocate all facilities and would likely cease doing business with its long term care facilities as same would be outside of its geographical region. Local municipalities and business would lose the employee revenue and long term care facilities would lose their primary source of local distribution of pharmaceuticals.

5. The Applicant understands and agrees that the provisions of Section 862(1) of the New York General Municipal Law, as provided below, will not be violated if financial assistance is provided for the proposed project:

§ 862. Restrictions on funds of the agency. (1) No funds of the agency shall be used in respect of any project if the completion thereof would result in the removal of an industrial or manufacturing plant of the project occupant from one area of the state to another area of the state or in the abandonment of one or more plants or facilities of the project occupant located within the state, provided, however, that neither restriction shall apply if the agency shall determine on the basis of the application before it that the project is reasonably necessary to discourage the project occupant from removing such other plant or facility to a location outside the state or is reasonably necessary to preserve the competitive position of the project occupant in its respective industry.

6. The Applicant understands and agrees that in accordance with Section 858-b(2) of the General Municipal Law, except as otherwise provided by collective bargaining agreements, new employment opportunities created as a result of the project will be listed with the New York State Department of Labor, Community Services Division and with the administrative entity of the service delivery area created pursuant to the Job Training Partnership Act (PL 97-300) in which the project is located (collectively, the "Referral Agencies"). The Applicant also agrees, that it will, except as otherwise provided by collective bargaining contracts or agreements to which they are parties, first consider for such new employment opportunities persons eligible to participate in federal job training partnership programs who shall be referred by the Referral Agencies

Initial 

7. The Applicant confirms and acknowledges that the owner, occupant, or operator receiving financial assistance for the proposed project is in substantial compliance with applicable local, state and federal tax, worker protection and environmental laws, rules and regulations.

Initial 

8. The Applicant confirms and acknowledges that the submission of any knowingly false or knowingly misleading information may lead to the immediate termination of any financial assistance and the reimbursement of an amount equal to all or part of any tax exemption claimed by reason of the Agency's involvement the Project.

Initial 

9. The Applicant confirms and hereby acknowledges that as of the date of this Application, the Applicant is in substantial compliance with all provisions of Article 18-A of the New York General Municipal Law, including, but not limited to, the provision of Section 859-a and Section 862(1) of the New York General Municipal Law.

Initial 

10. In accordance with Section 862(1) of the New York General Municipal Law the Applicant understands and agrees that projects which result in the removal of an industrial or manufacturing plant of the project occupant from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of the project occupant within the State is ineligible for financial assistance from the Agency, unless otherwise approved by the Agency as reasonably necessary to preserve the competitive position of the project in its respective industry or to discourage the project occupant from removing such other plant or facility to a location outside the State.

11. The Applicant represents and warrants that to the Applicant's knowledge neither it nor any of its affiliates, nor any of their respective partners, members, shareholders or other equity owners, and none of their respective employees, officers, directors, representatives or agents is, nor will they become a person or entity with who United States persons or entities are restricted from doing business under regulations of the Office of Foreign Asset Control (OFAC) of the Department of the Treasury (including those named on OFAC's Specially Designated and Blocked Persons List or under any statute, executive order including the September 24, 2001, Executive Order Block Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism, or other governmental action and is not and will not assign or otherwise transfer this Agreement to, contract with or otherwise engage in any dealings or transactions or be otherwise associated with such persons or entities.

12. The Applicant confirms and hereby acknowledges it has received the Agency's fee schedule attached hereto as Schedule A and agrees to pay such fees, together with any expenses incurred by the Agency, including those of Transaction Counsel, with respect to the Facility. The Applicant agrees to pay such expenses and further agrees to indemnify the Agency, its members, directors, employees and agents and hold the Agency and such persons harmless against claims for losses, damage or injury or any expenses or damages incurred as a result of action taken by or on behalf of the Agency in good faith with respect to the project.

13. The Applicant hereby agrees to comply with Section 875 of the General Municipal Law. SCHEDULE B

Agency's Recapture Policy

SCHEDULE B

Recapture of Agency Benefits. It is understood and agreed by the parties to this Agreement that the Agency is entering into this Agreement in order to provide financial assistance to the Lessee for the Project and to accomplish the public purposes of the Act. In consideration therefor, the Lessee hereby agrees as follows:

(a)(i) If there shall occur a Recapture Event after the date hereof, the Lessee or the Sublessee shall pay to the Agency as a return of public benefits conferred by the Agency, the following amounts:

(A) one hundred per cent (100%) of the Benefits (as defined below) if the Recapture Event occurs within the first five (5) years after the date hereof;

(B) eighty per cent (80%) of the Benefits if the Recapture Event occurs during the period from the sixth (6th) year through and including the eighth (8th) year after the date hereof;

(C) sixty per cent (60%) of the Benefits if the Recapture Event occurs during the ninth (9th) year after the date hereof;

(D) forty per cent (40%) of the Benefits if the Recapture Event occurs during the tenth (10th) year after the date hereof; or

(E) twenty per cent (20%) of the Benefits if the Recapture Event occurs during the eleventh (11th) year after the date hereof.

As used in this Section, the term "**Benefits**" shall mean, collectively:

(1) all real estate tax benefits which have accrued to the benefit of the Lessee or the Sublessee commencing from and after the "Commencement Date", and during the period of time that the Agency is the owner of the Facility, such tax benefits to be computed by subtracting the payments in lieu of taxes paid under Section 4.3 hereof from those payments which the Lessee or the Sublessee would have been required to pay during the term of this Agreement (within the meaning of Section 3.2 hereof) had the Town determined the amount of such real estate taxes as would be due if the Lessee had been the owner of the Facility Realty during such term; and

(2) all miscellaneous benefits derived from the Agency's participation in the straight-lease transaction contemplated by this Agreement, including, but not limited to, any exemption from any applicable state or local sales and use tax, mortgage recording tax and filing and recording fees accruing from and after the date hereof.

As used in this Section, the term "**Recapture Event**" shall mean any of the following events:

- (1) The Lessee or the Sublessee shall have liquidated its operations and/or assets (absent a showing of extreme hardship);
- (2) The Lessee or the Sublessee shall have ceased all or substantially all of its operations at the Facility (whether by relocation to another facility or otherwise, or whether to another facility either within or outside of the Town) through no force majeure event;
- (3) The Lessee or the Sublessee shall have transferred all or substantially all of its employees within the Town to a location outside of the Town through no force majeure event;
- (4) The Lessee or the Sublessee shall have subleased all or any portion of the Facility in violation of the limitations imposed by Section 9.3 hereof, without the prior written consent of the Agency;
- (5) The Lessee or the Sublessee shall have sold, leased, transferred or otherwise disposed of all or substantially all of its interest in the Facility; or
- (6) Base Employment Reduction Percentage shall be greater than fifteen percent (15%) due to a Relocation Reduction occurring with respect to an Annual Period.

Notwithstanding the foregoing, a Recapture Event shall not be deemed to have occurred if the Recapture Event shall have arisen as a direct, immediate result of (i) a taking or condemnation by governmental authority of all or substantially all of the Facility, or (ii) the inability at law of the Lessee to rebuild, repair, restore or replace the Facility after the occurrence of a Loss Event to substantially its condition prior to such Loss Event, which inability shall have arisen in good faith through no fault on the part of the Lessee or any Affiliate.

(b) The Lessee covenants and agrees to furnish the Agency with written notification upon any Recapture Event or disposition of the Facility or any portion thereof made within twelve (12) years of the Commencement Date, which notification shall set forth the terms of such Recapture Event and/or disposition.

(c) In the event any payment owing by the Lessee or the Sublessee under this Section shall not be paid on demand by the Lessee or the Sublessee, such payment shall bear interest from the date of such demand at the then current interest rate imposed on delinquent payments of real property taxes until the Lessee or the Sublessee shall have paid such payment in full, together with such accrued interest to the date of payment, to the Agency.

(d) The Agency, in its sole discretion, may waive all or any portion of any payment owing by the Lessee or the Sublessee under this Section.

(e) The provisions of this Section shall survive the termination of this Agreement for any reason whatsoever, notwithstanding any provision of this Agreement to the contrary.
