TD: Good morning, everyone. I first want to thank our staff for putting together the proposed 2026 budget for your review. I appreciate your time and approval as we work through that process.

Last week, I attended the annual IDA conference in Montauk with other local IDAs, where we presented an award to the Allegra North project by D&F Development Group, recognized as a project of distinction. It was very well received.

Other than that, we're looking to finish up the year strong. We have a few projects to close out before year-end, and things are looking good heading into 2025 and 2026.

Thank you again for your time, and I look forward to continuing to work with all of you.

TG: Thank you, Tom, as always.
