**WHEREAS**, in order to induce the Owner and the Company to create jobs in the Town, it appears necessary for the Agency to assist the Owner and the Company by taking leasehold title to or undertaking control of the Facility so as to afford the Owner and the Company of certain relief from real property taxation, sales and use taxation and mortgage recording taxation with respect to the Facility; and

**WHEREAS**, it is contemplated that the Owner will cause the transfer or lease of the Facility to the Agency pursuant to a Company Lease Agreement (the “**Company Lease**”) and the Agency will assist the Owner and the Company to undertake the Project and will lease or sublease the Facility to the Owner pursuant to a Lease and Project Agreement (the “**Lease Agreement**”), by and between the Owner and the Agency pursuant to which the Owner agrees, among other things, to make lease payments in such amounts as specified in the Lease Agreement; and

**WHEREAS**, it is further contemplated that the Owner will sublease the Facility to the Company pursuant to a Sublease Agreement (the “**Sublease Agreement**”) by and

**WHEREAS**, pursuant to the Lease Agreement the Owner has agreed to make certain payments in lieu of real property taxes, with respect to the Facility, to the Agency; and

**WHEREAS**, in connection with the Agency's evaluation of the Project for the provision of financial assistance, the Agency has (i) assessed all material information relating to the project included in the Owner and the Company's project application (the "**Project Application**") in order to afford a reasonable basis for the decision of the Agency to provide financial assistance to the Project; (ii) reviewed the Agency's written cost benefit analysis for the Project which identifies the extent to which (A) the Project will create or retain permanent, private sector jobs; (B) the estimated value of any tax exemption to be provided to the Project, (C) the amount of private sector investment generated or likely to be generated by the Project; (D) reviewed the likelihood of accomplishing the proposed project in a timely fashion; and (E) considered the extent to which the Project will provide additional sources of revenue for the Town and the school district where the Facility is located; and

**WHEREAS**, in connection with the adoption of this resolution the Agency has reviewed the Tourism Destination Study and the Project Application and the Owner and the Company have confirmed in such Project Application that as of the date of the Project Application, as amended, the Owner and the Company are in substantial compliance with the Act; and

**WHEREAS**, it is desired that the Agency authorize the granting of certain financial assistance to the Owner and the Company in connection with the Project and the Facility including exemption from State and local sales and use taxes, mortgage recording taxes, and real property taxes.

**NOW, THEREFORE, BE IT DETERMINED, APPROVED AND RESOLVED** by the Agency as follows:

Section 1. With respect to the Agency's evaluation criteria for Tourism Projects the Agency makes the following determinations:

(a) It has reviewed the information in the Cost Benefit Analysis and the Tourism Destination Study with respect to the Project.

(b) The Company proposes a capital investment of approximately \$25,000,000.

(c) The wage rates for the approximately one hundred and twenty-seven (127) full-time and nineteen (19) part-time jobs to be created by the Company at the Facility within the first two years after the Project completion will average \$52,000 per year for management positions, \$39,000 - 52,000 per year for professional positions, \$78,000 per year for administrative positions and \$26,000 - 52,000 per year for laborer positions.

(d) The Project will not have significant impact from local labor construction in the Town but will result in approximately fifty (50) full-time and twenty (20) part-time new construction jobs during the first year of construction of the Facility.

(e) The Project will result in regional wealth generation in that users of the Facility will be individuals and groups from outside of the Nassau/Suffolk economic area.

(d) The Project will result in increased New York State and local sales taxes.

(f) The Project will not have a significant effect on in-region purchases or research and development.

(g) The Project will not have a significant effect on energy efficiency.

(h) The Project will not affect existing land use or zoning.

(i) According to the Tourism Destination Study, the vast majority of the Project's business will entail providing goods and services to customers personally visiting the Facility. In addition, according to the Tourism Destination Study, the majority of visitors are anticipated to come from outside of Nassau/Suffolk Counties. Based on the foregoing and the Tourism Destination Study the Agency determines that the Project constitutes a tourism destination (as defined in the Act) and the increased availability of indoor sports and recreation space to be provided by the Project is expected to attract a significant number of visitors from outside of the Nassau/Suffolk economic development region.

(j) The financial assistance to be provided by the Agency for the Project is an essential component of the Company's proposed costs of operations of the Facility and will assist the Company to complete the Project and attract lenders to finance the Project.

Section 2. Based on the evaluation of the foregoing evaluation criteria, (a) The Agency hereby finds and determines that (i) the Project constitutes a "Project" within the meaning of the Act; and (ii) the granting of real property tax abatements, sales and use tax abatements and mortgage recording tax abatements (collectively, the "**Financial Assistance**") by the Agency with respect to the Facility pursuant to the Act, will promote job opportunities, health, general prosperity and the economic welfare of the inhabitants of the Town and the State of New York and improve their standard of living, and thereby serve the public purposes of the Act.

(b) It is desirable and in the public interest for the Agency to grant the Financial Assistance to the Owner and the Company with respect to the Facility.

(c) The Agency shall grant Financial Assistance to the Company and the Owner in the form of New York State and local Sales and Use Tax abatements in a maximum amount not to exceed \$1,476,364 as provided in Section 5.2 of the Lease Agreement and in the event of the occurrence of a recapture event under the Lease Agreement the Agency will pursue recapture of the Financial Assistance as provided in Section 5.4 of the Lease Agreement.

Section 3. To accomplish the purposes of the Act, the Agency shall take leasehold title to the Facility pursuant to the Company Lease, assist the Owner and the Company to undertake the Project, and sublease the Facility to the Owner pursuant to the Lease Agreement.

Section 4. Pursuant to the Lease Agreement, the Owner will make certain payments in lieu of real property taxes (“**Pilots**”) which would be otherwise due and payable with respect to the Facility.

Section 5. In order to provide the Owner and the Company with Financial Assistance with respect to exemption from New York State and local Sales and Use Taxes with respect to the Project the Agency may issue one or more Sales Tax Agent Authorization Letters (“**Sales Tax Authorization Letters**”) which shall be used pursuant to the terms contained therein and in the Lease Agreement.

Section 6. In order to secure amounts to be loaned by a mortgage lender acceptable to the Chief Executive Officer (“**CEO**”) or the Chief Financial Officer (“**CFO**”) of the Agency to the Company with respect to the financing or refinancing of the Project and the Facility, the Agency hereby authorizes the execution of one or more mortgages (collectively, the “**Mortgages**”) granted at the initial closing of the “straight lease” transaction or any time thereafter during the term of the Lease Agreement, from the Agency and the Owner to any mortgage lender acceptable to the CEO or the CFO of the Agency or any other authorized representative, in form acceptable to the CEO or CFO of the Agency or any other authorized representative and counsel to the Agency.

acceptable to Agency Counsel, with such changes, variations, omissions and insertions in the Agency Documents as the CEO or any other Authorized Representative of the Agency shall upon advice of counsel approve. The execution thereof by the CEO or any other Authorized Representative of the Agency shall constitute conclusive evidence of such approval.

The CEO or the Chief Financial Officer (“CFO”) of the Agency or any other authorized representative are further hereby authorized, on behalf of the Agency, to designate any additional authorized representatives including the Chairman, the Secretary or Assistant Secretary of the Agency, to execute any Agency Documents or certificates of the Agency authorized pursuant to this Resolution and determine the terms of the Agency Documents.

law. Except as otherwise provided in this resolution, all rights, powers and privileges conferred and duties and liabilities imposed upon the Agency or the members thereof by the provisions of this resolution, and the Agency Documents shall be exercised or performed by the Agency or by such members, officers, board or body as may be required by law to exercise such powers and to perform such duties.

Section 14. No covenant, stipulation, obligation or agreement contained in this resolution, or the Agency Documents shall be deemed to be a covenant, stipulation, obligation or agreement of any member, officer, agent or employee of the Agency or the Town in his or their individual capacity and neither the members of the Agency nor any officer shall be liable personally on the Agency Documents or be subject to any personal liability or accountability by reason of the execution thereof.
